ACTIVE INGREDIENTS: Tetrayclo-s,3,3-dintro-2,1,1,3,5-thiadiazine-2-thione 98.5% INERT INGREDIENTS: 2.5%
TOTAL: 100.0%

KEEP OUT OF REACH OF CHILDREN WARNING

FIRST AID USE

If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

If ingested: Call a Poison Control Center or doctor for further treatment advice.

If on Skin: Take off contaminated clothing.

If on Clothes: Call a Poison control center or doctor immediately for further treatment advice.

If Swallowed: Refer to initial treatment advice.

If Inhaled: Move person to fresh air. If breathing is difficult, call an emergency number.

If on Skin: Remove contaminated clothing and wash skin with soap and water.

If in Eyes: Wash eyes with large amounts of water for at least 15 minutes. If irritation persists, consult a physician.

If ingested: Do not induce vomiting unless told to do so by the poison control center or doctor.

If inhaling: Remove to fresh air. Consult a physician if symptoms persist.

If on Skin: Consult a physician if symptoms persist.

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 911-278-0330 or 1-800-BUCKMAN for emergency medical treatment information.

NOTE TO PHYSICIAN

Probable mucosal damage may cause indistinguishable gastric lavage.

Precautionary Statements

Hazardous to Humans and Domestic Animals

WARNING: Corrosive. Causes eye damage and severe skin irritation. Harmful if inhaled or swallowed. Avoid inhaling dust or vapors. Do not get on eyes or clothing. Avoid contact with skin. May cause skin sensitization.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish. Do not discharge effluent containing this pesticide into lakes, streams, ponds, estuaries, oceans, or other bodies of water. It may cause damage to sensitive aquatic life. Apply this product only to the area that is being treated. Do not apply this product to land adjacent to the area being treated.

Physical/Chemical Hazards: Solid, Non-Volatile, with a high melting point of 106°C.

Pesticide Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

PECOSITE DISPOSAL: Pesticides are toxic. Improper disposal of excess pesticides, spray mixtures, or containers is a violation of Federal Law. These wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Officer or the nearest EPA Regional Office for Guidance.

CONTAINER DISPOSAL: Paper Drums with Liners: Completely empty liners by shaking and tapping sides and bottom to loosen crippling particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

Hot Line Number

Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment. You may also contact 911-278-0330 or 1-800-BUCKMAN for emergency medical treatment information.
