Unsolicited letters are not sent to address on container.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing.
Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

FIRST AID

<table>
<thead>
<tr>
<th>If in eyes:</th>
<th>Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.</th>
</tr>
</thead>
<tbody>
<tr>
<td>If swallowed:</td>
<td>Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.</td>
</tr>
<tr>
<td>If on skin or clothing:</td>
<td>Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.</td>
</tr>
<tr>
<td>If inhaled:</td>
<td>Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.</td>
</tr>
</tbody>
</table>

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also contact 1-800-757-3051 for emergency medical treatment information.

ENVIRONMENTAL HAZARDS
This pesticide is extremely toxic to freshwater marine and estuarine fish and aquatic invertebrates including shrimp and oyster. Do not apply directly to water. Do not apply in a manner which will directly expose canals, lakes, streams, ponds, marshes or estuaries to aerial drift. Do not contaminate water by disposing of equipment wash waters.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage and disposal. PESTICIDE STORAGE: Keep container closed and away from food, feedstuffs and domestic water supplies.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.
If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

drift. Do not contaminate water by disposing of equipment washwaters.

GENERAL INFORMATION
What Easy Weeder Does: This product prevents many broadleaf and grass weeds from
germinating around listed flowers, bulbs, vegetables, roses, trees, shrubs, and ground covers.
It provides all-season weed control, eliminating difficult and time consuming hand weeding.
Without weeds to compete for space, plant nutrients and water, your valuable plants can grow
larger, stronger and healthier. Do not apply to Ajuga, Myrtle or Pachyandria as Injury may result.

DIRECTIONS FOR USE
It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Not for use on plants being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes. For use on plants intended for aesthetic purposes or climatic modification and being grown in ornamental gardens or parks, or on golf courses or lawns.

Entry Restrictions: Do not allow people or pets to enter the treated area until dusts have settled. If watering-in is required after application, do not enter or allow others to enter the treated areas (except those involved in the watering) until the watering-in is complete and the surface is dry.

Application Restrictions: Do not apply this product in a way that will contact any person or pet, either directly or through drift. Keep people and pets out of the area during application.

Use spreader in garden beds only. Do not use this product on lawns. Never use when planting seed except for the vegetables listed. Do not use with flower seeds.

When to Apply Easy Weeder in Home Gardens: Early application is best for easy weed control all season long. Or, apply any time around shrubs, trees and established plants. Before sowing listed vegetables by seed, apply product no earlier than 10 weeks prior to planting.

How to Apply Easy Weeder: Since this product works by preventing weed seed germination, existing weeds must be removed before applying. Avoid over-application to prevent carryover problems with sensitive plants the following season. Do not use in enclosed areas such as greenhouses.

For Established Plant Application: Flowers, listed vegetables, ornamentals, and trees: sprinkle on soil surface (wearing rubber or plastic gloves or with a spreader) to match Example A (this is 1 oz. per 10 sq. ft.). For best results, lightly water into soil after application.

For Pre-Planting Application: Prior to transplanting 2-3” flowers, or, less than 10 weeks prior to planting vegetable seed, apply in medium soil to match Example B and mix in (this equals 1 oz. per 60 sq. ft.). Mix into soil with rake or rototiller 1-3” deep. Transplant. Do not apply after transplanting, except on Irish potatoes. (See chart below for light (sandy) or heavy (clay) soil.)

<table>
<thead>
<tr>
<th>Soil Texture</th>

For Use in Home Vegetable Gardens:

(1) From Seed: Carrots, Celery, Okra, Southern or Cow Peas, Field Peas, Black-Eyed Peas, Green Peas, Lima Beans, Snap Beans, Broccoli, Brussels Sprouts, Cabbage, Cauliflower, Turnip Greens, Mustard Greens, Collard, Kale. Treat prior to seeding.

(2) Post Emergent: Cantaloupe, Cucumber, Watermelon. Apply after plants are in 3 to 4 true leaf stage.

(3) Asparagus: Established only. Apply after ferns are removed, but prior to sparrow emergence.

(4) Before Transplanting: Celery, Broccoli, Brussels Sprouts, Cabbage, Cauliflower, Peppers, Tomatoes. Make application to prepared soil and incorporate into the top 1 to 3 inches of soil prior to transplanting.

(5) Potato (except Maine): May be applied after planting, before emergence or after emergence. Use care not to damage seed pieces in cultivating, not to allow treated soil to contact emerged plant foliage.

In all cases, cultivate the Easy Weeder into the soil after application, using care not to damage emerged crops.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage and disposal.

PESTICIDE DISPOSAL: Keep container closed and away from food, feedstuffs and domestic water supplies.

DISPOSAL: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.

IMPORTANT: READ BEFORE USE:
Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

WARRANTY DISCLAIMER and LIMITATION of LIABILITY:
Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Where permissible, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer’s choice. Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.

LEGAL RIGHTS:
THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.
