Controls bacteria, fungi, and algae in industrial cooling water systems and auxiliary water and waste water systems; controls slime-forming bacteria and fungi in industrial air-washer systems.

**FOR INDUSTRIAL USE ONLY**

Active Ingredient(s): 2,2-Dibromo-3-nitropropionamide — 40% Inert Ingredient(s): — 60% Total — 100%

**FIRST AID**

- **IF IN EYES**: Hold eye open and rinse slowly and gently with water for 30 minutes.
- **IF SKIN OR CLOTHING**: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15–20 minutes.
- **IF SWALLOWED**: Call poison control center or doctor for treatment advice.
- **IF INHALED**: Move person to fresh air.

**HOT LINE NUMBER**

Call a poison control center or doctor for treatment advice.

**IN CASE OF AN EMERGENCY**

- **endotracheal or esophageal control.** Danger from chemical eye burns may require extended irrigation.
- **If person is not breathing, call an emergency responder or an ambulance, then give artificial respiration, preferably mouth-to-mouth.**

**NOT TO PHYSICIAN**

- **Chemical eye burns may require extended irrigation.** Obtain prompt consultation, preferably from an ophthalmologist. If lavage is performed, suggest endotracheal and/or esophageal control. Danger from fung aspiration must be weighed against toxicity when considering emptying the stomach. If burn is on the skin, immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and put on clean clothing. Users must remove PPE immediately after handling this product. Wash the outside of gloves before removing. As soon as possible, wash thoroughly and change into clean clothing.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Apply this product only as specified on this label. Do not contaminate water by cleaning of equipment, or disposal of waste.

**STORAGE AND DISPOSAL**

Do not use, transport, or store this product for non-agricultural purposes.

**Pesticide Storage:** To maintain product quality, store at temperatures between 20°C (68°F) and 30°C (86°F) in a well-ventilated area.

- **Note:** Do not store tablets from container except for immediate use. When ready to use do not remove tablet from water solvable packaging.

**Pesticide Disposal:** Pesticide wastes are acutely hazardous. Improper disposal of excess pesticides may result in a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste Representative at the nearest EPA Regional Office for guidance.

**Container Disposal**

Nonrefillable container. Do not reuse or refill this container. Triple rinse or pressure rinse container (or equivalent) promptly after emptying. Then offer for recycling or reconditioning, or place in sanitary disposal, or by other procedures approved by state and local authorities.

**Notice:** Seller warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE OR ANY OTHER EXPRESS OR IMPLIED WARRANTY.
