SCHULTZ®
PREMIUM Mulch
WITH Weed Stop

2 cu ft
Controls Weeds for up to 4 Months!
SCHULTZ® PREMIUM Mulch WITH Weed Stop

For Use On: • Outdoor Bedding Areas • Around Ornamentals, Trees & Shrubs

STOP READ ENTIRE LABEL BEFORE USE.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE PRECAUTIONS
• WEAR GLOVES WHEN HANDLING.
• Do not apply near fish pools, ponds, streams or lakes.
• Do not use this mulch around fruit or fruit trees, vegetables, herbs or other edible food plants.

HOW TO USE

When to Use:
Apply in the spring or fall when landscaping. Wait at least 12 weeks before making a repeat application. (In New York, make only one application per year; see directions below.)

How Much to Use:
IN NEW YORK • MAKE ONLY ONE APPLICATION PER SITE PER YEAR. Apply 1.5 inches of untreated mulch. THEN topdress the area with 1.5 inches of this product to reach a total depth of 3 inches. One cubic foot of this product will cover 8 square feet at this rate.
IN ALL OTHER STATES • Spread this product to a depth of 3 inches. One cubic foot of this product will cover 4 square feet. Make no more than two applications per site per year.

STORAGE AND DISPOSAL

Storage: • Store in original container in a cool, dry place, out of the reach of children, preferably in locked storage.
Disposal: If empty: • Do not reuse this bag.
• Place in trash or offer for recycling if available.
If partly filled: • Call your local solid waste agency for disposal instructions.
• Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION
• Causes eye irritation.
• Harmful if inhaled.
• Avoid prolonged contact with skin, eyes or clothing.
• Wash thoroughly with soap and water after handling.
• If product gets on clothes, wash before reuse.
• Prolonged or repeated skin contact may cause allergic skin reactions in some individuals.

FIRST AID

If in Eyes: • Hold eye open and rinse slowly and gently with water for 15-20 minutes.
• Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
• Call a Poison Control Center or doctor for treatment advice.

If Inhaled: • Move person to fresh air.
• If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible.
• Call a Poison Control Center or doctor for further treatment advice.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and highly toxic to other aquatic organisms including oysters and shrimp. Use with care when applying to areas adjacent to any body of water. Runoff from treated area may adversely affect aquatic organisms in adjacent aquatic sites.

Do not apply directly to water.
Do not contaminate water when cleaning equipment or disposing of equipment washwater.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.

Note: Some color fading of exposed material will occur due to natural product degradation. To optimize color, it is recommended to turn the top 1 inch of mulch every 3 to 4 months.

Fill is by volume. Some settling may occur during shipment.
