Subject: OFF! Deep Woods Insect Repellent V

Dear All,

I am pleased to announce the launch of OFF! Deep Woods Insect Repellent V, a new product in our range that promises long-lasting protection against mosquitoes, ticks, and other biting insects.

**Key Features**

- **Active Ingredient:** DEET
- **Net WT:** 6 oz (170 g)
- **Protection:** Long-lasting protection
- **Suitability:** Suitable for families, especially children

**Usage Tips**

- Apply to exposed skin and clothing.
- Reapply every 4-6 hours or after swimming or sweating.
- Do not apply directly on face, mouth, or eyes.
- Avoid applying near eyes and mouth.

**Safety Precautions**

- Store away from heat, flames, and sparks.
- Keep out of reach of children.
- Discontinue use if irritation occurs.

**Environmental Considerations**

- Compost the packaging when full.
- Properly dispose of used aerosol cans.

Thank you for considering OFF! Deep Woods Insect Repellent V as part of your outdoor activities. For more information, please visit our website or contact us directly.

Best regards,
