IN READY TO USE FORM

KEEP OUT OF REACH OF CHILDREN

See below for additional precautionary statements and first aid

EPD Reg. No.: 1839-83-1658
EPD EST. No.: 1698-M01
U.S. PATENT NO. 6,444,054

FIRST AID

1. If swallowed - call a Poison Control Center, doctor or go to nearest hospital emergency room.

2. If in eyes - hold eye open and rinse slowly with water for 15 minutes. Remove contact lenses, if present and easy to remove, then rinse for an additional 15 minutes.

3. For skin exposure - wash with soap and water for a minimum of 15 minutes.

NOTE TO PHYSICIAN

- Drug is non-irritating and may contain the colorant phthalocyanine blue (CHLAL) or phthalocyanine green (CHLAR).
- With continued use nausea, vomiting, and diarrhea may occur.

EPA REGISTRATION

The Environmental Protection Agency (EPA) has registered QT-TB as a disinfectant and virucide.

PRECAUTIONARY STATEMENTS

Hazard to humans and domestic animals. Caution.

KEEP OUT OF REACH OF CHILDREN. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Keep out of reach of children. Do not swallow. Keep out of reach of children. Do not swallow.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL.

PESTICIDE STORAGE - Store in a dry place no lower in temperature than 50°F or higher than 120°F.

PESTICIDE DISPOSAL - Pesticide wastes are acutely hazardous. Improper disposal of excess products, spray mixtures, or residues is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL - Nonrefillable container. Clean container promptly after emptying. Triple rinse as follows: Fill container 1/3 full with water. Tip container on its side and roll it back and forth, ensuring at least one complete revolution for 30 seconds. Stand the container on its end and tip it back and forth several times. Repeat this procedure two more times. Offer for recycling or reconditioning, if applicable, available, punctured and dispose in a sanitary landfill.
