Total .................. 100.000%

KEEP OUT OF REACH OF CHILDREN

CAUTION
See back Panel For Additional Precautionary Statements.

NET WEIGHT: 14 oz (397 g)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. FLEAS AND TICKS: SHAKES WELL. ONLY FOR INDOOR USE. Hold can 2 or 3 feet from surfaces to be treated. Spray underneath furniture, sofas, chairs and beds. Liberally apply a fine mist or spray to carpets, rugs, drapes and all surfaces of upholstered furniture by using a wide, sweeping motion. Do not saturate surfaces. Treat pet bedding, a primary hiding place for fleas. No need to remove pet bedding after treatment. Retreating necessary. DO NOT SPRAY HUMANS OR PETS WITH THIS PRODUCT. Use an Enforcer® product registered for flea control on pets in conjunction with this treatment. Do not re-enter treated areas until completely dry.

The flea pupae (cocoons) stage is not affected by this product because the cocoons are very difficult to penetrate. Repeat treatments and daily vacuuming to kill fleas newly emerged from the pupae stage.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed or absorbed through skin. Do not breathe vapors or spray mist. Avoid contact with skin, eyes or clothing. Thoroughly wash with soap and warm water after use. Do not contaminate food or foodstuffs. Do not use in commercial food processing, preparation, food storage or serving areas. In the home, cover all food processing surfaces and utensils during treatment or thoroughly wash before use. Cover or remove exposed food. Remove pets, birds and cover fish aquariums before spraying.

First Aid

If Swallowed: Immediately call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth if possible. Call a poison control center or doctor for further treatment advice. If on Skin or Clothing: Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice. If In Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

Physical or Chemical Hazards

Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container.

Storage and Disposal

STORAGE: Store in a cool, dry, (preferably locked) storage area inaccessible to children and pets away from heat, open flame or other sources of ignition. Do not incinerate or puncture. DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.
