**PRECAUTIONARY STATEMENTS:**

**DANGER**: Concentrate is corrosive. Concentrate may cause irreversible eye damage and may scar skin. Concentrate is harmful if swallowed or absorbed through skin. Do not get concentrate in eyes or on skin or clothing. Wear protective clothing, rubber gloves and safety glasses. Wash thoroughly with soap and water after handling concentrate. Remove contaminated clothing and wash before reuse.

**FIRST AID:** IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

**IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

**IF SWALLOWED:** Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

**NOTICE TO PHYSICIAN:** Probable mucosal damage may complicate the use of gastric lavage.

**PHYSICAL AND CHEMICAL HAZARDS:** Reducing agent. Avoid breathing dust from this product. Do not allow this product to come in contact with acids or oxidizing agents under conditions other than described in the directions for use. Add this product to water only. Negligent mixing of this product with acids or oxidizing agents may cause the release of poisonous, corrosive hydrogen bromide or bromine gas.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and aquatic organisms.

---

**DIRECTIONS FOR USE:**

It is a violation of federal law to use this product in a manner inconsistent with labeling. Always add Winter Treat® directly to pool or spa. TO MAINTAIN CRYSTAL CLEAR WATER FROM AUTUMN UNTIL SPRING AND TO PROTECT FROM STAINS AND DISCOLORATION WHEN CLOSING POOLS AND SPAS FOR THE SEASON. FOR POOLS AND SPAS TREATED WITH CHLORINE OR BROMINE:

**STEP 1:** Drain pool to desired level.

**STEP 2:** Add 2 pounds Pool Stain Treat® per 20,000 gallons of pool water.

**STEP 3:** Add 1 quart Winter Treat® per 20,000 gallons water.

**STEP 4:** Add 4 pounds of granular, fast dissolving dichlor-s-triazinetrione or 8 pounds lithium hypochlorite or 4 gallons of liquid sodium hypochlorite (pool bleach) or 4 pounds of bromine per 20,000 gallons water.

**NOTE:** Calcium hypochlorite may be used, but is not recommended.

**STEP 5:** For best results, add 2 pounds chlorine to the water surface each month when the water is not frozen. This is most easily done with WinterWatch® Kit.

In the spring, the pool or spa may be opened using Spring Treat® and maintained using No More Problems®. Always follow the Directions for Use for each product used.

---

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by the use, storage or disposal of this product. **STORAGE:** Store in a dry, well ventilated area out of the reach of children and away from oxidizers, keep container closed when not in use. **PESTICIDE DISPOSAL:** Pesticide wastes are toxic and hazardous. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal Law. These wastes cannot be disposed of by the use according to label instructions, contact your State Pesticide or Environmental Control Authority, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
