Tim-bor® Industrial

Wood Preservative

For protection and preventative treatment of wood* against decay fungi and wood-destroying insects. (*Also for wood-foam composite structural components.)

Active ingredient:
Disodium Octaborate Tetrahydrate ............. 98%
Na₂B₄O₇·4H₂O

Other ingredient: ................................. 2%
(Other ingredient not listed contains 2% H₂O - absorbed moisture)

Total: ........................................... 100%

EPA Reg. No. 1624-39
EPA Est. 1624-CA-1

CAUTION
NOT FOR FOOD OR DRUG USE

PERSONAL PROTECTIVE EQUIPMENT (PPE)

Mixers/loaders, applicators and other handlers must wear:
- Long-sleeve shirt and long pants
- Shoes plus socks
- Protective eyewear
- Chemical-resistant gloves (such as rubber, neoprene or polyvinyl chloride)
- Respirator with a dust, fume, mist removing cartridge in accordance with NIOSH Guidelines: 42 CFR Part 84 when occupational exposure limits (OSHA TWA) are exceeded.

If on skin or clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 to 20 minutes.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial ventilation.

USER SAFETY RECOMMENDATIONS

Users should wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Users should remove clothing immediately if pesticide gets inside. Then wash thoroughly and put on clean clothing.

ENVIRONMENTAL HAZARDS

Tim-bor Industrial or Tim-bor solutions carelessly spilled or applied to cropland or growing plants, including grasses and shrubs, may kill or seriously retard plant growth. This pesticide is toxic to fish and wildlife. Do not contaminate water by clearing of equipment or disposal of wastes. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewers systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

GENERAL INFORMATION

Tim-bor Industrial is a water soluble inorganic borate salt for the protection and treatment of wood, wood products, and wood-foam composite structural components that are protected from excessive amounts of liquid water and are not in direct contact with soil except for when followed by a post treatment of oil borne preservatives under American Wood Preservers Association (AWPA), Use Category System U1-03 commodity specification C-Crosslites and Switch tires. For further clarification of appropriate applications please refer to the AWPA Use Category System. Tim-bor Industrial is effective against decay fungi and wood boring beetles including Powder Post (Lyctidae), Furniture Beetles and Old House Borers (Anobiidae), Longhorn Beetles (Cerambycidae), Subterranean Termites (Reticulitermes, Coptotermes, Heterotermes), Dampwood Termites (Zootermopsis), Drywood Termites (Kalotermitidae, Incisitermes), and Carpenter Ants (Camponotus). Tim-bor Industrial pressure treated wood is also effective for controlling cockroaches that are repeatedly in direct contact with the wood. The addition of a compatible registered anti-sapstain and/or moldicide may be incorporated during treatment.

APPLICATION INSTRUCTIONS

Pressure process: Pressure treatment procedures must rigidly adhere to the standards of U. S. Borax and/or those of the AWPA. If several species are being treated at once, choose the treating schedule for the most difficult to treat species.

Non-pressure process: Dip-diffusion treatment and spray applications should adhere to the standards and methods of U. S. Borax and/or those of the AWPA.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by pesticide storage and disposal. Pesticide Storage: Store in a dry place. Do not store where children or animals may gain access.

Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Handling: Nonrefillable container. Do not reuse or refill this container. Completely empty bag into application equipment. Then offer for recycling, if available, or dispose of empty bag in a sanitary landfill or by incineration, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

GENERAL PRECAUTIONS AND RESTRICTIONS

Notice: Because of many varying conditions affecting use and application, manufacturer warns buyer that these may impair or vary the results or effects of the use of this product. In any event, complete prevention of decay by fungicides or other organisms is not guaranteed. Neither manufacturer nor seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label, or when used contrary to the directions or instructions herein, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes all risk of usage and handling except when used in accordance with this label. There are no express warranties on Tim-bor Industrial or implied warranties of merchantability or fitness for any particular purpose, except as specifically stated herein. Manufacturer shall not be liable for any consequential damages based on the use of this product.
