MOSQUITO COILS

CONTAINS 10 COILS 2 METAL STANDS

MOSQUITO REPELLENT

Active Ingredient:
d-cis/trans allethrin........0.25%
Other Ingredients...........99.75%
Total........................100.00%

EPA Reg. No. 5178-5-69269
EPA Est. 5178-CHN-1

KEEP OUT OF REACH OF CHILDREN
CAUTION:
SEE BACK PANEL FOR ADDITIONAL PRECAUTIONARY STATEMENTS

COLEMAN®
PRECAUTIONARY STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Avoid prolonged inhalation. Do not touch lit end of coil. Do not use indoors. Thoroughly wash hands with soap and water after use.

FIRST AID:

If inhaled
- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.
- Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment.

ENVIRONMENTAL HAZARDS:
This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters or rinsate.

DIRECTIONS FOR USE:
IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING. Use outdoors in semi-confined areas such as porches, patios and similar areas where there is little or no breeze. The coils' effectiveness and duration are affected by airflow. Separate coils by gently pulling them apart. Insert coil onto stand, light the outer end of the coil and let it flame approximately 1/8 inch. Blow out the flame and allow coil to smolder until extinguished. For shorter periods of use, break coil into desired length. Place on non-combustible surface and keep lighted coils away from flammable materials, surfaces or objects. For best results evenly space coils approximately 8-10 feet apart around perimeter of area to be protected. Cover exposed food to avoid contamination. Save the stands for future use.

Storage: Store in a cool, dry (preferably locked) area inaccessible to children and pets and away from sources of heat or ignition. Disposal: If empty: Do not reuse this packaging. Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain. Used Coils: Put ashes in trash.
