PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION
Harmful if swallowed or absorbed through skin. Causes
moderate eye irritation. Avoid contact with eyes, skin or
clothing. Wash thoroughly with soap and water after
handling.

ENVIRONMENTAL HAZARDS
Apply this product only as specified on the label.
Do not discharge effluent containing this product into lakes,
streems, ponds, estuaries, oceans or other waters unless
in accordance with the requirements of a National Pollutant
Discharge Elimination System (NPDES) permit and the permit
authority has been notified prior to discharge.
Do not discharge effluent containing this product to sewer
systems without previously notifying the local sewage
treatment plant authority. For guidance contact your local
State Water Board or Regional Office of the EPA.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or
disposal.

PESTICIDE STORAGE:
Store in original container in a cool, dry place.

PESTICIDE DISPOSAL:
Pesticide wastes are toxic. Improper disposal of excess
pesticide, spray mixture, or rinsate is a violation of Federal
law. If these wastes cannot be disposed of by use according
to label instructions, contact your State Pesticide or
Environmental Control Agency, or the Hazardous Waste
representative at the nearest EPA regional office for
guidance.

CONTAINER HANDLING:
Non-refillable container. Do not reuse or refill this container.
Triple rinse container (or equivalent) promptly after emptying.
Triple rinse as follows:
Empty the remaining contents into application equipment or a
mix tank. Fill the container 1/4 full with water. Place up
and tighten closures. Tip container on its side and roll it back
and forth, ensuring at least one complete revolution, for 30
seconds. Stand the container on its end and tip it back and
forth several times. Turn the container over onto its other end
and tip it back and forth several times. Empty the rinsate into
application equipment or a mix tank or store rinsate for later
use or disposal. Repeat this procedure two more times.

Then offer for recycling if available or puncture and dispose
of in a sanitary landfill, or by other procedures approved by
state and local authorities.

NOTICE TO PHYSICIAN:
There is no specific antidote for Wocosen 50 TK. Give supportive and symptomatic therapy.

NET CONTENTS: 271 gallons (1028 liters)

EPA REG. NO. 45815-21
EPA EST. NO. 083158-BEL-002

DIRECTIONS FOR USE:
It is a violation of Federal Law to use this product in a
manner inconsistent with its labeling.

Description:
This product may be used to formulate products for
specific uses not listed on the manufacturing use product
label, if the formulator or user group has complied with
U.S. EPA data submission requirements regarding the
support of such uses. Each formulator is responsible for
obtaining EPA registration for his end use product(s).

NOTICE OF WARRANTY
Janssen PMP, a Division of Janssen Pharmaceutica NV
warrants that this product conforms to the chemical
description on the label thereof and is reasonably fit for
purposes stated on such label only when used in accordance
with the directions under normal use conditions. It is
impossible to eliminate all risks inherently associated with
the use of this product. Ineffectiveness or other unintended
consequences may result because of such factors as weather
conditions, presence of other materials, or the manner of
use or application, all of which are beyond the control of
Janssen PMP. To the extent permitted by law, Janssen PMP
disclaims any liability for consequential, special or indirect
damages resulting from the use, handling, application, storage
or disposal of this product or for damages in the nature of
penalties, and the buyer and user waive any right that
they may have to such damages. To the extent consistent
with applicable law, Janssen PMP makes no warranties of
merchantability or of fitness for a particular purpose or any
other express or implied warranty except as stated above.
