DIRECTIONS FOR USE

It is a violation of Federal law to use this product as a pesticide in a manner inconsistent with its labeling.

This product is a general purpose cleaner, deodorizer, and disinfectant. It is designed to be used where control of cross-contamination hazards is of prime importance, like the products end up in food, water, food or beverages, or as a component in a cleaning or sanitizing solution. It is effective against a broad spectrum of microorganisms, including bacteria, viruses, fungi, and yeasts.

To use, apply to the surfaces to be treated and allow it to dry. For best results, use within 7 days of opening.

This product is for use in dental offices to clean, deodorize, and sterilize surfaces and equipment. It is also effective against common microorganisms, including bacteria, viruses, fungi, and yeasts.

**GC SPRAY-CIDE™ GERMICIDAL SOLUTION**

**CLEANER, DISINFECTANT & DEODORIZER**

**Net Contents:** 1 Gallon (3.8 L)

**Reorder No.** 555128

**ACTIVE INGREDIENTS:**
