GC AMERICA INC.
3737 W. 127th STREET
ALSIP, IL 60803
Made in U.S.A.

KEEP OUT OF REACH OF CHILDREN

CAUTION
See side panel for First Aid and additional Precautionary Statements.
This product has demonstrated effectiveness against Influenza Strain A2/HK Virus* and Avian Influenza A Virus* and is expected to inactivate all influenza A Viruses including Pandemic 2009 H1N1 (formerly called "swine flu").

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

Special Instructions for Cleaning and Decontamination Against HBV, HCV and HIV-1 (AIDS Virus) for Surfaces or Objects Soiled with Blood or Body Fluids: Kills HBV, HCV and HIV-1 (AIDS Virus) on precleaned environmental surfaces or objects previously soiled with blood or body fluids at room temperature (20-25°C) in health care settings or other settings in which there is an expected likelihood of soiling of inanimate surfaces/objects with blood or body fluids and in which the surfaces/objects likely to be soiled with blood or body fluids can be associated with the potential for transmission of HBV, HCV and the human immunodeficiency Virus Type 1 (HIV-1) associated with AIDS. **Personal Protection:** When using the germicidal solution, wear disposable latex gloves, protective gown, face mask and eye coverings, as appropriate, when handling HBV, HCV and HIV-1 infected blood or body fluids. **Cleaning Procedure:** All blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of the germicidal solution. **Contact Time:** Thoroughly wet surface. Allow surface to remain wet for 6 minutes prior to wiping or allow surface to air dry. **Disposal of Infectious Materials:** Dispose of used solution in accordance with local regulations for infectious waste disposal.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

**Pesticide Storage:** Store in original container in a cool, well-ventilated (preferably locked) area inaccessible to children and pets. **Pesticide Disposal:** Wastes resulting from the use of this product must be disposed of on site or at an approved waste disposal facility. **Container Disposal:** Non-refillable container; do not reuse or refill this container. To avoid wastes, use all material in this container by application according to label directions. When empty, fill the container about 10 percent full of water. Agitate vigorously and dispose of contents on site or at an approved waste disposal facility. Offer the container for recycling, if available; otherwise dispose of container in trash.

**FIRST AID**

<table>
<thead>
<tr>
<th>IF INHALED</th>
<th>Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.</th>
</tr>
</thead>
<tbody>
<tr>
<td>IF IN EYES</td>
<td>Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.</td>
</tr>
</tbody>
</table>

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact 1-800-424-9300 for emergency medical treatment information.

**PRECAUTIONARY STATEMENTS**

**Hazards to Humans and Domestic Animals**

**CAUTION:** Harmful if inhaled or absorbed through skin. Causes moderate eye irritation. Avoid breathing vapors and contact with eyes, skin or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum or using tobacco. Remove contaminated clothing and wash clothing before reuse.

**Physical or Chemical Hazards:** Do not use or store near heat or open flame.
