This product is for FORMULATING USE ONLY into EPA registered antifoulants for the following uses: Cooling Water Systems; Industrial Air Washer Systems; Petroleum Secondary Recovery Waterflooding Operations; Paper and Paper Manufacturing; Drilling Mud, Completion Fluids; Diesel and Distillate-Heating Oil, Waste-water Treatment Systems; Industrial Water Purification Systems.

Information on the composition, toxicity, methods of formulation, limitations and restrictions, and effectiveness of the product for pesticide purposes is readily available from Buckman Laboratories, Inc.

Formulators are responsible for obtaining registrations and preparing labeling in compliance with EPA guidelines for formulations based on this product.

### DIRECTIONS FOR USE

**First Aid**

**If In Eyes**
- Hold eyes open and rinse slowly and gently with water for 15–20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for further treatment advice.

**If In Skin**
- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15–20 minutes.
- Call a poison control center or doctor for further treatment advice.

**If Swallowed**
- Call poison control center or doctor immediately for treatment advice.
- Do not induce vomiting unless told to do so by a poison control center or doctor.
- Have person sip a glass of water, if able to swallow.
- Call a poison control center or doctor for further treatment advice.

**NOT TO PHYSICIAN**

Probable mucosal damage may contraindicate the use of gastric lavage.

### PRECAUTIONARY STATEMENTS

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**DANGER**

Corrosive. Causes eye and skin damage. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Avoid Contamination of food. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco, or going to the toilet. Remove and wash contaminated clothing before reuse.

**ENVIRONMENTAL HAZARDS**

This pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, swamps, estuaries or other water bodies in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

**STORAGE AND DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal.

**PESTICIDE STORAGE**

Do not expose to extreme temperatures. Do not stack more than four drums high. Leaking or damaged drums should be placed in overpack drums for disposal. Spills should be absorbed in sand, sand and disposed of in a sanitary landfill. Keep container closed after use.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or container is a violation of Federal Law. If these wastes cannot be disposed of in a sanitary landfill, or, if allowed by state and local authorities by burning. If burned, stay out of smoke. Then offer for recycling if available or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities by burning. If burned, stay out of smoke.

**Container disposal**

(For all refillable containers)

Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available. If the contents includes a hazardous waste, do not treat as hazardous waste. Contact your local hazardous waste disposal company for further disposal instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at your EPA Regional Office for guidance.

**CONTAINER DISPOSAL**

(For all refillable containers)

Refillable container. Rinse and pitch this container with water. Do not reuse this container for other purposes. Cleaning the container before final disposal is the responsibility of the person disposing of the container. Cleaning before reusing is the responsibility of the reclaimer.

**(For containers larger than 55 gallons)**

To clean the container prior to reusing or disposal, use a pressure wash as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container ½ full with water and repeel. Repeal 10 seconds. Pour inlet into application equipment or a mix tank or store rinsate for the later use or disposal over 10 seconds after the flow begins to drop. Repeat this procedure two more times.

**(For containers larger than 55 gallons)**

To clean the container prior to reusing or disposal, use a pressure wash as follows: Empty the remaining contents into application equipment or a mix tank. Fill the container full with water. Replace and tight closures. Tip container on side and roll it back and forth, ensuring at least one complete revolution, for 30 seconds. Stand the container on its end and tip 4 back and forth several times. Empty the rinsate into application equipment or a mix tank or store rinsate for the later use or disposal. Repeat this procedure two more times.

**(For all nonrefillable containers)**

When storing for recycling or storage or disposal, it is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at your EPA Regional Office for guidance.

**PESTICIDE DISPOSAL**

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or container is a violation of Federal Law. If these wastes cannot be disposed of in a sanitary landfill, or, if allowed by state and local authorities by burning. If burned, stay out of smoke. Then offer for recycling if available or reconditioning, if appropriate, or puncture and dispose of in a sanitary landfill, or, if allowed by state and local authorities by burning. If burned, stay out of smoke.
