NET WEIGHT: 1.5 Lbs. (681 g)

SPA AND HOT TUB SANITIZER
When used as directed, this product is effective as a spa and hot tub sanitizing and disin-
fecting.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner
inconsistent with its labeling. Read entire label and use strictly in accordance with pre-
cautions and directions.

Ensure all spa equipment is working properly. Clean cartridge filter or backwash sand or
de filter system following manufacturer's directions. Adjust pH to between 7.2-7.6. When
using other products as outlined in directions for this product, always follow directions on
those products. Fill spa bromine feeder with this product and adjust feeder following
manufacturer's directions to yield bromine residual between 2 - 4 ppm in residential spas and
4 - 6 ppm in commercial spas. Check feeder regularly and add additional product as needed
to maintain the bromine residual. The pump and filter should be operated for at least three
hours every day whether spa is used or not. Do not heat water above 102°F. Keep the spa
free of leaves and debris. To maintain clear, clean water and ensure the performance of
your spa chemicals, spas should be drained and refilled with fresh water every 50 days
in residential spas or a minimum of every 7 days in commercial spas.

Reentry into treated spas is prohibited above levels of 8 ppm bromine due to
risk of body injury.

PRECAUTIONARY STATEMENTS:

HAZARDS TO HUMANS AND DOMESTIC ANIMALS. DANGER: Corrosive. Causes
irreversible eye damage and skin burns. Harmful if swallowed. Irritating to nose and throat. Do
not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety
glasses). Wear protective clothing and rubber gloves when handling this product. Avoid
breathing dust and fumes. Wash thoroughly with soap and water after handling. Remove
contaminated clothing and wash clothing before reuse.

PHYSICAL OR CHEMICAL HAZARDS: STRONG OXIDIZING AGENT: Do not mix with
other chemicals. Mix only with water. Never add water to product. Always add product to
large quantities of water. When using automatic feeding devices, always follow manufactur-
er's directions as to the proper addition of sanitizer to brominizers. Use clean
dry utensils. Do not add this product to any dispersing device containing remnants of any
other product. Such use may cause a violent reaction leading to fire or explosion.

Storage and disposal:
STORAGE: Keep this product dry in original tightly closed container when not in use. Store in
a cool, dry, well-ventilated area away from heat or open flame. Do not contaminate food or feed by storage or disposal.
CONTAINER DISPOSAL: Do not reuse container. Place in trash collection. Rinse thoroughly before discarding in trash.

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms.

NOTE: Buyer assumes all responsibility for safety and use in accordance with directions.
Each tablet weighs approximately 20 grams.
