Contains 50 - 6" x 8" (15.2 cm x 20.3 cm) Premoistened Wipes
Net Wt. 8.1 oz (230 g)

SCRBUS® MEDAPHENE® Disinfectant Deodorizing Wipes are a ready-to-use, non-sterile, pre-moistened wipe designed for the disinfection and deodorization of non-porous, hard, non-porous surfaces. The wipes contain an active ingredient to kill bacteria, viruses, and fungi. They are effective against a wide range of microorganisms, including resistant strains of bacteria, viruses, fungi, and yeasts. The wipes are non-irritating and do not leave residue, making them suitable for use around food and on non-porous surfaces.

DIRECTIONS:
1. Remove the wipes from the package.
2. Hold the wipe over the surface to be treated.
3. Wipe the surface until it is dry.

SPECIAL INSTRUCTIONS:
- Do not use on non-porous surfaces.
- Do not use on surfaces that are sensitive to chemicals.
- Do not use on surfaces that may discolor or damage them.
- Do not use on surfaces that are not washable.
- Do not use on surfaces that are not heat-resistant.
