DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on horses intended for human consumption. Shake well before using. To protect horses from Horse Flies, House Flies, Stable Flies, Face Flies, Horn Flies, Deer Flies, Gnats, Mosquitoes, Lice, Ticks, and Deer Ticks that may transmit Lyme Disease. Thoroughly brush the horse's coat prior to application to remove loose dirt and debris. For dirty horses, shampoo and rinse thoroughly. Wait until the coat is completely dry before applying BITE FREE™ BITING FLY REPELLENT. Its unique water-resistant formula contains a special conditioner that binds to the hair shaft so it keeps working even in moist conditions or when the horse sweats.

BITE FREE™ BITING FLY REPELLENT may be applied either as a spray or as a wipe. For horse's face, always apply as a wipe using a piece of clean, absorbent cloth, toweling (turkish) or sponge. Wear rubber gloves or mitt when applying as a wipe. Spray or wipe horse's entire body while brushing against the lay of the coat to ensure adequate coverage. Avoid getting spray into horse's eyes, nose or mouth.

Application should be liberal for best results. Reapply every 5 to 7 days under normal conditions for initial applications. At production builds, reapply every 10 to 14 days as needed. Also, reapply each time animal is washed or exposed to heavy rain.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwater.

STORAGE & DISPOSAL

STORAGE: Store in a cool, dry place.

DISPOSAL: Nonrefillable container. Do not reuse or refill this container. IF EMPTY: Place in trash, or for recycling if available. IF PARTIALLY FILLED: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Buyer assumes all risk of use, storage and handling of this product not in strict accordance with directions given herein.
