STOP. Read and follow all directions and precautions on this product label.

DIRECTIONS FOR USE • It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For outdoor use only. Do not spray in enclosed areas. Hold container upright about 6-8 inches from skin or clothing and spray with a slow, sweeping motion. Slightly moisten skin. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Do not spray directly onto face. Spray on hands first, and then apply sparingly to face, avoiding eyes. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply over cuts, wounds or irritated skin. Do not apply to sunburned skin. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child. Avoid overapplication of this product. After returning indoors, wash treated skin with soap and water. Wash treated clothing.
