**SureGRIP® Wasp Pro**

**Wasp, Bee & Hornet Killer**

**Mata Avispas, Abejas y Avispas**

This product can be used both indoors (attics and other places where nests are built) and outdoors on wasp, bee, hornet and yellow jacket nests.

**REACHES NESTS UP TO 20 FEET ABOVE GROUND.**

**DIELECTRIC BREAKDOWN VOLTAGE:** 46.1 KV by ASTM TEST METHOD 0977

Gives rapid knockdown and kill of wasps, bees, hornets and yellow jackets.

Gives rapid contact kill and residual kill of insects returning to the treated nest.

**ACTIVE INGREDIENTS:**
- Tetramethrin (1-Cyano-1,2-dicloro-3-phenoxy-1-propene) 0.06%
- Cypermethrin (1-Cyano-1,3-dichloro-2,2-dimethyl-cyclopropane-3-carboxylate) 0.35%

**DIRECTIONS FOR USE**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Avoid contamination of food and feedstuffs. Do not use in commercial food-processing, preparation, food-storage or serving areas. In the home, all food-processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Exposed food should be covered or removed.

Remove pets and birds, and cover fish aquariums before spraying.

**FOR CONTROL OF WASPS, BEES, HORNETS AND YELLOW JACKETS:** The best time to spray the nest is in the early morning or early evening, when air temperature is cooler and most insects are in the nest and little activity is observed around the nest opening. Spray only if the air is still. Stand at a safe distance from the nest, not directly under it. Hold container upright at arm's length, point the actuator at the nest and spray the opening of the nest first. Then spray the rest of the nest until it is saturated. Treated insects may fall out of the nest and die. Any insects returning to the nest after treatment will be killed. Wait 48 hours before removing the nest. Follow directions for disposal of empty containers.

**STORAGE & DISPOSAL**

- **STORAGE:** Store in a cool, dry area away from heat or open flame.
- **DISPOSAL:** **DO NOT PUNCTURE OR INCINERATE!** If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions.

**KEEP OUT OF REACH OF CHILDREN**

**MANTEGEESE FUERA DEL ALCANCE DE LOS NIÑOS**

**WARNING:** This product is toxic to fish and other aquatic invertebrates. Do not apply directly to water. Do not contaminate water by cleaning of equipment or wastes.

**PHYSICAL OR CHEMICAL HAZARDS**
