INSECT REPELLENT
PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals
CAUTION: Causes moderate eye irritants. Wear protective eyewear. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

FIRST AID
If IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Contact a poison center or doctor for treatment advice.
If swallowed: Call a poison control center or doctor for treatment advice.

ENVIRONMENTAL HAZARDS
For Terrestrial Use: This product is toxic to fish, aquatic macroinvertebrates, birds and grazing mammals. It may be hazardous to aquatic organisms in water adjacent to treated areas. Do not apply directly to water. Do not contaminate water when disposing of equipment or waste water or runoff.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This Hot Pepper Wax repels aphids, cabbage loopers, beet armyworms, spider mites, and whiteflies.

APPLICATION: Apply this product to a four foot radius to the leaves, stems, fruits, and flowers of the plant until wet but not dripping. Good coverage of all portions of the plant is essential for effectiveness. Do not stretch out of control. Apply at the rate of 3 to 5 oz. per 1000 sq ft. Do not apply when rain is expected within 24 hours. Do not apply when hot and humid weather is expected. Do not apply when plants are dormant by drought or nutrient use if burning occurs.

FREQUENCY: For best results, keep new growth covered. General: The repellency of this product is most effective on emerging growth when applied every 7 to 14 days. However, more frequent application of up to every 3 days is appropriate when infestations are heavy. Use HOME GARDENERS: Repeated use of this product on sensitive plants has been reported to cause burning of leaves. Avoid use at this product is effective only where pest numbers begin to increase.

STORAGE AND DISPOSAL
Do not contaminate water, food, or feed by storage or disposal.
STORAGE: Store in original container, in a dry place inaccessible to children and pets.
DISPOSAL: If empty, Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available.
If partly filled: Call your local waste service agency for disposal instructions.

WARRANTY: To the extent allowed by state law, bowll's guarantee limited to label claims.
