FOR RESIDENTIAL USE ONLY

Hot Pepper Wax Insect Repellent repels aphids, cabbage loopers, beet armyworms, spider mites, and whiteflies.

USES: Use Hot Pepper Wax Insect Repellent to help control ants and mosquitoes, indoor outdoor ornamentals, and
pests. Avoid use on Edibles: Almond, Avocado, Sweet Pepper, Parsley, Dill, Cilantro, and Mint.

How To Use: Mix 1/2 part concentrate to 1 part water. Apply to plants as needed. Do not spray foliage of cut plants to be moved or placed in the garden. Do not use near pets or livestock. Do not use in or around food preparation areas.

FREQUENCY: Apply the product at least once a week for the first two weeks to establish a barrier against infestation.

STORAGE AND DISPOSAL
STORAGE: Store in a cool, dry place.

DISPOSAL: If empty, dispose of properly. Place product in a trash container. Do not spray to avoid spraying pets or livestock. Do not use near food preparation areas. Do not use near pets or livestock.
