This product may only be applied to active burrows to control Norway rats, and not to areas within 100 feet of agricultural buildings and man-made agricultural structures. To prevent reinfestation, efforts should be made to remove food, water, and shelter sources. This product is toxic to fish. Do not apply directly to water, or to areas where surface water is present or to intertidal areas. Do not broadcast bait.

Do not use in homes or other residences. Do not place near or inside ventillation ducting systems. Do not contaminate water foods, feedstuffs, bait, or feed feeding apparatus, or surfaces that come into direct contact with food. Do not broadcast bait. When used in USDA inspected facilities, this product must be applied in tamper-resistant bait stations.
