**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Apply product with a cloth, mop or mechanical sprayer. When applied with a mechanical sprayer, surfaces must be thoroughly and uniformly wetted. Do not use on glass, wood, carpet or painted surfaces. Spray a 6 inch wide central spray area from 12 inches above the floor to 42 inches above the floor. Then apply 4 additional sprays of 6 inch wide central spray areas for a total of 5 sprays. Spread the product on a surface for at least 5 minutes. Rinse with water after the 5 minutes have elapsed. The area should be free of any remaining film or residue. (Do not use on glass, wood, carpet or painted surfaces.)

**ENGLISH**

**Color: Red**

**Directions:**

1. Apply the product to the surface to be treated and let it sit for at least 5 minutes. Rinse with water after the 5 minutes have elapsed. The area should be free of any remaining film or residue. (Do not use on glass, wood, carpet or painted surfaces.)

**Spanish**

**Dirección:**

1. Aplicar el producto a la superficie a tratar y dejarlo reposar durante al menos 5 minutos. Enjuagar con agua después de que se hayan pasado 5 minutos. La superficie debe estar libre de cualquier residuo de película o de suciedad. (No aplicar en cristal, madera, alfombras o superficies pintadas.)
