Methyl Bromide Quarantine Fumigant

ACTIVE INGREDIENT: Methyl Bromide
TOTAL: 100%

This product weighs 15.8 lb at shipped weight.

NOTICE:
Contains methyl bromide, a substance which harms public health and environment by destroying ozone in the upper atmosphere.

STORAGE AND DISPOSAL:
Do not contaminate water, food, or feed by storage or disposal.
Do not contaminate water, food, or feed by storage or disposal.
Do not contaminate water, food, or feed by storage or disposal.

STORAGE AND HANDLING:
Store in a dry, cool, well-ventilated area under lock and key. Post as a pesticide storage area. Persons moving, handling, or opening containers must wear the personal protective equipment (including prescribed respirators when necessary) specified in the Hazards to Humans section of this labeling. Open container only in a well-ventilated area. Store cylinders in a vertical position with the valve on the bottom. Cylinders should not be subjected to rough handling or mechanical shock such as dropping, bumping, or sliding. Do not use rope slings, hooks, tongs or other devices to unload cylinders. Transport cylinders using hand truck, fork truck or other device to which the cylinder can be firmly secured. Do not remove valve protection bonnet and safety cap until immediately before use. Replace safety cap and valve protection bonnet immediately after use.

RETURN CYLINDERS TO:
Cardinal Professional Products, 8770 Highway 25, Hollister, CA 95023.
Cylinders are the property of Cardinal Professional Products and should be returned promptly by collecting auto freight. Do not ship cylinders without safety caps or valve protection bonnets.
When a cylinder is partially full and there is no further requirement for the product, contact the company for return instructions.

SHIPPING:
This fumigant is classified in the U.S. Department of Transportation Hazardous Materials Regulations as Methyl Bromide, 2.3, UN 1062, Poison-Inhalation Hazard, Hazard Zone C and no exemptions from specifications, packaging, marking, or labeling are allowed. Describe empty cylinders as having last contained Methyl Bromide (inhalation hazard). Do not ship with foods, feeds, or clothing.

DISPOSAL:
Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.
