SWIMMING POOL CLARIFIER: Made exclusively for use with the SYNERGY® SYSTEM, this product replaces several products with one convenient premixed product. This specially formulated product, a blend of an oxidizer, clarifier, and buffer, is designed to help keep your pool water sparkling clear. This product provides enhanced water clarity, improved swimmer comfort and offers the convenience of "Once-A-Week" application. Designed for use with all types of pool surfaces, SYNERGY Clear allows swimming as soon as 15 minutes after application. This product is not a sanitizer or algicide. To sanitize your pool or for removal of algae, use the appropriate Omni product specifically formulated for these purposes.

△ DO NOT mix this product directly with any other pool chemicals as violent reactions could occur. This product must be applied from the bottle directly into the pool water, DO NOT pre-dissolve this product.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in any manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautionary statements and directions.

ROUTINE MAINTENANCE: Apply SYNERGY Clear weekly at a dosage rate of one-half pound per 10,000 gallons of pool water. Turn on the pump before adding this product and allow pool to circulate for 4 to 8 hours after application for best results. Broadcast the dosage of this product over the water surface at the deep end of the pool. To prevent possible damage to pool surface, use a pool brush, dipper or brush to disperse any granules that have settled to the bottom of the pool. Do not apply this product through a skimmer or any automatic dispensing device. Snowmelt may be seen as soon as 15 minutes after applications. Test chlorine residual. Swimming may resume in 1-4 hours. OFF SEASON MAINTENANCE: Unheated pools which are kept circulating during the winter season require less frequent additions of this product. Apply product every three weeks following instructions and dosage for routine maintenance.

IMPORTANT: Only a SYNERGY SYSTEM dealer can test for all components and proper balance of a SYNERGY SYSTEM. Be sure to have your water tested by a SYNERGY SYSTEM dealer and add recommended products following label directions on each product.

△ TEST CHLORINE LEVEL PRIOR TO RE-ENTRY. RE-ENTRY INTO TREATED SWIMMING POOLS IS PROHIBITED ABOVE LEVELS OF 4 PPM CHLORINE DUE TO RISK OF EYE INJURY.

STORAGE AND DISPOSAL: Keep this product dry in original tightly closed container when not in use. Store in a cool, dry, well ventilated area away from heat or open flame. If product becomes damp, discard, following instructions for contamination under Physical or Chemical Hazards. CONTAINER DISPOSAL: Non-returnable container. Do not reuse or refill this container. Off for recycling, if available. Triple rinse container (or equivalent) promptly after emptying.

PRECAUTIOUS STATEMENTS:
HAZARDS TO HUMANS AND DOMESTIC ANIMALS:
DANGER: Corrosive. Causes irreversible eye damage. Do not breathe dust; may be harmful if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Causes skin irritation. Prolonged or frequently repeated skin contact may cause allergic reactions in some individuals. Wear protective eyewear (safety glasses). Wash thoroughly with soap and water after handling product. Remove contaminated clothing and wash clothing before reuse.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice. IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, if possible. Call poison control center or doctor for treatment advice. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor immediately for treatment advice. IF SWALLOWED: Call poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person. Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IN CASE OF MEDICAL EMERGENCY, CALL 1-877-808-5593.
Note to Physician: Probable mucosal damage may contaminate the use of gastric lavage.

PHYSICAL OR CHEMICAL HAZARDS: CONTAINS OXIDIZING AGENTS. Do not mix with other chemicals or any other substance. DO NOT pre-dissolve or add water to this product. Always apply directly into the pool. Contamination of this product with small amounts of water or other substances may start a chemical reaction and generate heat, hazardous gas, possible fire and explosion. In case of contamination or decomposition, do not return container. Isolate container in open air or well-ventilated area. Flood container and area with large volumes of water. In case of spills, scoop up and place product in pool water, then flood spilled area with large volumes of water.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and aquatic organisms.

NOTE: Buyer assumes all responsibility for safety and use not in accordance with directions.
