FORMULATED FOR HOME, HOSPITAL, SCHOOL, HOTEL, RESTAURANT, LOCKER ROOM, FACTORY, INSTITUTION
Meets ADA/CDC germicidal spray products test standards for hospital disinfectants.

PRECAUTIONARY STATEMENTS
Hazardous to Humans and Domestic Animals.
Keep out of Reach of Children.

WARNING
Causes eye irritation. Do not get in eyes. Avoid contact with skin. Avoid contamination of foodstuff.

FIRST AID
IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth, as needed. Call a poison control center or doctor for further treatment advice.

Have the product container or label with you when calling a poison control center or doctor for treatment advice.

ATTENTION: This product contains a-phenethylenediamine, a chemical known to the State of California to cause cancer in accordance with Proposition 65 (California Safe Drinking Water and Toxic Enforcement Act of 1986).

PHYSICAL HAZARDS
EXEMPLARY FLAMMABLE. Contents under pressure. Do not use or store near heat or open flame. DO NOT PURCHASE OR INCINERATE CONTAINER. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product is not to be used as a terminal or medium/high-level disinfectant on any surface or instrument that (1) is introduced directly into the human body; either (a) in or contact with the bloodstream or normally sterile areas of the body, or (b) contacts intact mucous membranes except those that do not ordinarily penetrate the skin or other outer normal sterile areas of the body; (2) this product may be used to prevent or decontaminate critical or semi-critical medical devices prior to sterilization or high-level disinfection. Use the product as an agent for cleaning and disinfection. Do not use the product to clean or disinfect non-living surfaces.

ACTIVE INGREDIENTS:
- Phenol (2%)

OTHER INGREDIENTS:
- Ethanol
- Benzalkonium chloride
- Butylated hydroxytoluene
- Sodium benzoate
- Water

NET WT/NETTO 15.5 oz (439 g)

KEEP OUT OF REACH OF CHILDREN
MANTÉNGASE FUERA DEL ALCANCE DE LOS NIÑOS
WARNING
ADVERTENCIA
See precautionary statements on back of can.

DISPOSAL OF INFLAMMABLE MATERIAL. Do not apply to or incinerate. Do not use on surfaces where temperatures exceed 130°F. Do not concomitantly use, store, or allow spray to contact treated surface for a minimum of 10 minutes prior to wiping.

FOR DISINFECTION OF HARD SURFACES: This disinfectant spray is an effective germicide that kills Staphylococcus aureus, Salmonella enterica, Escherichia coli, Pseudomonas aeruginosa, Streptococcus pyogenes, Methicillin-resistant Staphylococcus aureus (MRSA), vancomycin-resistant Enterococcus faecalis (VRE), and Methicillin-resistant Staphylococcus aureus (MRSA).

It also kills viruses and fungi on hard, non-porous inanimate surfaces.

Use to disinfect nonporous inanimate surfaces like metal or glass porcelain tools, plastic or ceramic trowel blades, metal or plastic pipe, garbage cans, tongs, wrenches, and keys, and uncontaminated water, food, or feed by use, storage, or disposal of product.

To CLEAN: Clean object to be cleaned using normal cleaning methods.

DIRECTIONS TO DISINFECT: Hold dispenser upright and spray 6 to 12 inches from the treated surface until surface is wet. Keep disinfectant spray on the surface for 10 minutes before wiping off. Repeat application when new growth appears.

DIRECTIONS TO CLEAN: Wash hard-to-reach areas with normal cleaning methods.

FOR DISINFECTION OF HUMAN AND DOMESTIC ANIMALS: This disinfectant spray should be applied at a rate of 200 ppm to all treatable areas for a minimum of 10 minutes. After spray has dried on the surface, wipe away excess. Do not allow spray to contaminate treated surface for a minimum of 10 minutes prior to reusing.

For additional information, see product label and cautionary statements on back of can.

For technical questions, call 1-800-756-2298.
