ZODIAC Flea & Tick Collar for Large Dogs

DIRECTIONS FOR USE:
1. Attach the collar to your dog's neck. Make sure the collar is snug enough to prevent the dog's ears from rubbing against the collar. If the collar is too loose, it may not be effective at keeping ticks away.
2. After attaching the collar, check the fit by pulling gently on the collar. Adjust the collar as needed to ensure a snug fit.
3. Check for tightness by lifting the collar off the dog's neck. If the collar can be lifted off easily, it may not be tight enough to be effective.
4. Replace the collar every 6 months or sooner if needed.

WARNING:
- Do not use on dogs under 12 weeks of age or 4 pounds.
- Do not use on pregnant, lactating, or nursing dogs.
- Do not use on dogs with known sensitivity to any of the ingredients of this product.
