Controls Roaches, Stored Product Pests, Drain Flies, Fruit Flies and Bed Bugs

Gentrol® Aerosol

with GENTROL® IGR

NON-REPELLENT

LONG-TERM CONTROL

COMPATIBLE IN BAITING PROGRAMS

DISSIPATING FOAM ASSURES COMPLETE COVERAGE

TREATS UP TO 1200 SQUARE FEET

FOR PROFESSIONAL USE ONLY

ACTIVE INGREDIENT:
(S)-Hydroprene

(CAS #65733-18-8).............................................. 0.36%

OTHER INGREDIENTS*: ........................................ 99.64%

TOTAL.......................................................... 100.00%

* Contains petroleum distillates

KEEP OUT OF REACH OF CHILDREN

See back panel for additional precautionary statements

GENERAL INFORMATION:

GENTROL® AEROSOL contains GENTROL® Insect Growth Regulator. The IGR disrupts the normal development of immature cockroaches, drain flies, fruit flies, bed bugs, and stored product pests (examples of these pests include: Indian meal moths, rice moths, tobacco moths, red flour beetles, confused flour beetles, lesser grain beetles, merchant grain beetles, saw-toothed grain beetles, warehouse beetles, cigarette beetles, and Derris root beetles). Roaches and bed bugs exposed to GENTROL® AEROSOL will become adults incapable of reproducing. GENTROL® AEROSOL also disrupts the normal life cycle of drain flies, fruit flies, and stored product pests; thus, killing those insects during the pupal stage. In both cases, the cycle of an infestation ends. Use in areas such as, but not limited to: apartment buildings, bakeries, bottling facilities, breweries, butchers, cheese and butter rooms, cafeterias, candy plants, grocery stores, day care centers, hospitals, residential homes, hotels/motels, office buildings, kitchens, laboratories, cereal processing facilities, manufacturing plants, mausoleums, meat and produce canneries, nursing homes, restaurants, schools, locker rooms, stores, barns, warehouses, pet stores, as well as various modes of transportation, such as aircraft, buses, trucks, rail cars, and marine vessels. Use as a general surface spray, spot, or crack and crevice application. For professional use only. EPA Reg. No. 2724-484

Storage and Disposal:

Do not contaminate water, food, or feed by storage or disposal. Storage: Store in a cool area away from children. Do not reuse empty container. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Wrap container and put in trash collection. Do not puncture or incinerate. PRECAUTIONARY STATEMENTS — HAZARDS TO HUMANS AND DOMESTIC ANIMALS — CAUTION: Harmful if inhaled or absorbed through skin. Avoid breathing spray mist. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse. FIRST AID: Call a poison control center or doctor immediately for treatment advice.

If on skin or clothing: Take off contaminated clothing. Wash skin thoroughly with plenty of water for 15-20 minutes. If in eyes: Hold eye open and rinse slowly with plenty of water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance. Give artificial respiration, preferably by mouth-to-mouth, if possible. If on product container or label with you when calling a poison control center or doctor. Do not use undiluted. If swallowed, call 1-800-248-7783 for emergency medical treatment information.

NOTE TO PHYSICIAN: Contains petroleum distillates. Vomiting may cause aspiration pneumonia. If swallowed: Immediately call a poison control center or doctor. Do not give anything by mouth to an unconscious person. PHYSICAL OR CHEMICAL HAZARDS: Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause burning. Do not apply this product in or on electrical portions of equipment due to the possibility of shock hazard. For more information or in case of emergency, call 1-800-248-7783 or visit our Web site: www.zoecon.com
