PRECAUTIONARY STATEMENTS:
- For use only as indicated on the label.
- Do not use on fabrics or other materials
  to which the label indicates should not
  be treated.
- Read the entire label before using or
  applying MAR-V-CIDE® Spray Disinfectant.

DIRECTIONS:
- Spray product directly onto a surface
  to be treated. Allow to air-dry.
- Rinse and wipe treated surfaces clean
  with a cloth or sponge. Apply
  MAR-V-CIDE® Spray Disinfectant
  directly onto any areas that cannot
  be cleaned with soap and water.
- For surfaces that come in contact with
  mucous membranes, use MAR-V-CIDE®
  Spray Disinfectant only under the
  supervision of a physician. Dispense
  in the original container. Do not
  use MAR-V-CIDE® Spray Disinfectant
  in a spray can or in a pressurized
  aerosol can. Do not spray MAR-V-CIDE®
  Spray Disinfectant directly on
  household utensils.

CONSUMER SAFETY INFORMATION:
- Do not use near water (e.g., in
  sink, tub, toilet) or on surfaces
  that become wet.
