KEEP OUT OF REACH OF CHILDREN

DANGER

Have the product container ready when reading the directions. When using this product, follow all directions. Do not use on wounds. This product contains a quaternary ammonium compound. If eye contact occurs, flush with water. If swallowed, do not induce vomiting. Call a Poison Control Center or a doctor. Use outdoors in well-ventilated areas.

IN CASE OF FIRE
- Do not use water. Use dry chemical or a CO2 extinguisher.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

- Keep out of reach of children.
- Do not use on wounds.
- Do not use on children's clothing or textiles.
- This product contains a quaternary ammonium compound.

STORAGE AND DISPOSAL

- Do not contaminate water, food, or feed by storage or disposal.
- Store in a cool, dry place.

PROPER STORAGE: If the product remains in its original container, it is not expected to be affected by light, heat, humidity, or cold. However, if exposure to direct sunlight occurs, the product may become less effective over time.

PROPER DISPOSAL: If the product becomes contaminated with hazardous materials, such as petroleum products, it should be disposed of according to local regulations. Otherwise, the product can be disposed of in the trash or by incineration.
