**DIRECTIONS FOR USE (Continued from other panel)**

**KEEP OUT OF REACH OF CHILDREN CAUTION**
See safe panels for first aid and additional precautionary statements.

**STORAGE AND DISPOSAL**

Do not store in metal, plastic, or wood containers. The product must be kept in the original container.

**WASTE DISPOSAL:**

- Do not mix with other chemicals.
- Do not store in metal, plastic, or wood containers.
- Do not use in homes with children.
- Do not use in homes with pets.
- Do not use in homes with birds.
- Do not use in homes with food or water. 

**FIRE AND EXPLOSION HAZARD:**

- Never store in metal, plastic, or wood containers.
- Never use in homes with children.
- Never use in homes with pets.
- Never use in homes with birds.
- Never use in homes with food or water.

**PRECAUTIONARY STATEMENTS**

**Effects on Aquatic Life:**

- Avoid application near aquatic organisms in water adjacent to treated areas.
- Do not contaminate water when disposing of equipment wash water or waste.

**TOXICITY TO BIRDS AND ANIMALS:**

- Avoid application near aquatic organisms in water adjacent to treated areas.
- Do not contaminate water when disposing of equipment wash water or waste.

**FIRST AID:**

- For animals, limit absorption by either emesis or gastric lavage. Sublethal symptoms, if present, would be the animal ingesting bait and/or showing poisoning signs (such as muscle tremors, loss of hind limb use, or seizures). Do not withhold water from the animal.
- Have person sip a glass of water if able to swallow.
- Call a veterinarian at once.

**NOTES TO PHYSICIAN OR VETERINARIAN**

- Treatment for pet poisoning is effective generally within 48 hours. If symptoms persist, call a veterinarian at once.
- If an animal eats this bait, call a veterinarian at once.

**PRECAUTIONARY STATEMENTS**

- Avoid application near aquatic organisms in water adjacent to treated areas.
- Do not contaminate water when disposing of equipment wash water or waste.

**WASTE DISPOSAL:**

- Do not mix with other chemicals.
- Do not store in metal, plastic, or wood containers.
- Do not use in homes with children.
- Do not use in homes with pets.
- Do not use in homes with birds.
- Do not use in homes with food or water.

**FIRE AND EXPLOSION HAZARD:**

- Never store in metal, plastic, or wood containers.
- Never use in homes with children.
- Never use in homes with pets.
- Never use in homes with birds.
- Never use in homes with food or water.
