DIRECTIONS FOR USE
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. For use in households, Schools, Warehouses, Office Buildings, Theaters, Garages, Hotels, Motels, Banquet Halls and Kitchens. In the home, all food processing areas and humidifiers should be covered during treatment or thoroughly washed before re-use. Exposed food should be covered or removed. Do not use in commercial food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not apply this pesticide when classrooms are in use.

FLAMMABLE: Turn off all ignition sources such as pilot lights, open flames or running electrical appliances that cycle on/off (i.e., refrigerators, thermostats, etc.).

INSERT EXTENSION TUBE INTO SPRAY BUTTON

TO KILL COCKROACHES, ANTS, CRICKETS, SOWBUGS, CENTIPEDES, SILVERFISH, ASIAN LADY BEETLES, FIREBRATS AND SPIDERS. Spray into hiding places such as cracks & crevices, behind sinks, cabinets, and hidden surfaces around sinks and storage areas, behind baseboards, behind and under refrigerators, cabinets, sinks and towel and in attics and crawl spaces. Retreat every 4 weeks if necessary.

DO NOT SPRAY ANIMALS OR PET FOOD. Never feed pets and cats with a flea and tick control product registered for use on pets before allowing them to enter the treated area. Do not use around pets less than 12 weeks of age.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals: Harmful if swallowed. Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.

Physical or Chemical Hazards: FLAMMABLE. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 100°F may cause bursting. Never leave container in parked or unattended vehicles. The product contains a highly flammable ingredient. It may cause a fire or explosion if not used properly. Follow the "Directions for Use" on this label very carefully.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes. If irritation persists, get medical attention immediately.

IF SWALLOWED: Call a physician or poison control center immediately for treatment advice.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.
Disposal: Place cap. Do not incinerate or burn.

If empty: This container may be recycled in aerosol recycling centers. At present, there are only a few such centers in the country. Before offering for recycling, empty the can by using the product according to the label. Do not puncture. If recycling is not available, discard in the trash.
If partially filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Unless otherwise instructed, place in the trash.
