Directions for Use: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Not for cleaning or sanitizing skin. Do not use as a diaper wipe or for personal cleansing. To Sanitize: Use to sanitize/deodorize hard, nonporous surfaces. Wipe surface. Use enough wipes for treated surfaces to remain visibly wet for 30 seconds. Let surface dry. For highly soiled surfaces, clean excess dirt first. To Disinfect and Deodorize: Use to disinfect hard, nonporous surfaces. Wipe surface to be disinfected. Use enough wipes for treated surface to remain visibly wet for 4 minutes. Let surface dry. For highly soiled surfaces, clean excess dirt first. To Clean: Wipe surface clean with Clorox® Disinfecting Wipes. Let air dry. For surfaces that may come in contact with food a potable water rinse is required. Clorox® Disinfecting Wipes will not harm most surfaces, including acrylic, fiberglass and vinyl. Not recommended for use on unpainted wood.

PRECAUTIONARY STATEMENTS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS.

CAUTION: Causes moderate eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling.

FIRST AID: IF IN EYES: Hold eye open and rinse slowly and gently with water for 15–20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. Have the product container or label with you when calling a poison control center or doctor, or going for treatment. For further information, call (800) 227-1860.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.

STORAGE AND DISPOSAL:
Dispose of wipe in trash after use. Do not flush. Tightly close lid between uses to retain moisture. Nonrefillable container. Do not reuse or refill this empty container. Offer empty container for recycling. If recycling is not available discard container in trash.
