Clinging Disinfectant
Bowl Cleaner

STORAGE AND DISPOSAL
Store in an area inaccessible to children. Harmful if swallowed. Do not reuse or refill the container. Offer for recycling if available. Otherwise, wrap empty container in plastic bag and discard in trash.

PRECAUTIONARY STATEMENTS
Hazard to Humans and Domestic Animals
DANGER: CORROSIVE. Causes eye and skin damage. May be fatal if swallowed. Do not breathe vapor or fumes. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. Use with adequate ventilation.

CHEMICAL HAZARDS:
Never use with chlorine products. Can react to give chlorine gas. If this occurs, flush sink to remove chemicals and leave area. Do not return for half an hour. Ventilate if possible. Never use or mix with other cleaners or chemicals. Do not use on any surface that can be damaged by acidic materials. Many surfaces are not resistant to acid. Do not use on PVD finished surfaces.

FOR INSTITUTIONAL USE

Stock No. 418574

Clinging Disinfectant
Bowl Cleaner

ANTIBACTERIAL ANTIMICROBIAL
Kills the following organisms: Staphylococcus aureus (Staph), Staphylococcus aureus-Methicillin Resistant (MRSA), Enterococcus fecalis-Fusidic Acid Resistant and Salmonella choleraesuis (Salmonella)

Chlorine, diacetates and esterteresters
Quickly eliminates rust, lime, and acid deposits. Will not harm bacteria action of septic tanks. When used as directed, product demonstrates effective reduction against Staphylococcus aureus, Staphylococcus aureus-Methicillin Resistant (MRSA), Enterococcus fecalis-Fusidic Acid Resistant and Salmonella choleraesuis (Salmonella)

Keep out of reach of children
DANGER
See additional precautions on the reverse side.

FIRST AID
Have the product container or label with you when calling a poison control center or doctor or gym for treatment.

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes. Then, continue rinsing eye. Call a poison control center or doctor for treatment advice.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth in an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth to an unconscious person. Call a poison control center or doctor for further treatment advice.

TO PHYSICIAN: Possible medical damage may contraindicate the use of gastric lavage.
