**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

If swallowed: Immediately call a poison control center or doctor. Do not induce vomiting unless told to do so by a poison control center or doctor.

If in eyes: Wash gently with tepid water for at least 15 minutes. If irritation persists, call a physician.

If on skin or clothing: Wash immediately with plenty of water for at least 15 minutes. Call a poison control center or doctor for further treatment advice.

Keep the product container or label with the treatment solution when calling a poison control center or doctor or going for treatment. For information regarding medical emergencies or possible poisonings, call 1-800-289-9999.

**ACTIVE INGREDIENTS:**
- Pyrethrin (C. abbreviatum) (1:320)
