**Non-agricultural Use Requirements**

The use of DiPel DF is NOT WITHIN THE scope of the Workforce Protection Standard (WPS, 1910.146). The WPS applies when this product is used for terrestrial pest control in an intercropped agricultural operation, such as silage crops or nurseries or greenhouses. In such cases, it is required to protect personnel entering treated areas until sprays have dried.

**Storage and Disposal**

Do not store water, food, or feed by storage or disposal with DiPel DF. Store in a dry area.

**Pesticide Disposal**

Do not store or contaminate equipment. Completely empty any application equipment before storing. Equipment contaminated with this product may be disposed of on site or at an approved waste disposal facility.

**Container Disposal**

Non-refillable container. Do not reuse or refill containers. Completely empty into application equipment by shaking and siphoning into an approved waste disposal facility or use for recycling, if available, or dispose of empty container in a sanitary landfill or by incineration. Pour remaining contents into a trash can and mix in 1 gallon of water before discarding.
