**PRECAUTIONARY STATEMENTS**

**Environmental Hazards**

This product is a respiratory toxidermic agent, including fish and mammals. To prevent the product from entering the animal's bloodstream, use the product in the area of the carcass and ensure the animal is not exposed to dust, smoke, or any other particles in the air. The product should be kept out of reach of children and pets. If the product is ingested, seek medical attention immediately.

**PERSONAL PROTECTIVE EQUIPMENT (PPE)**

- Goggles and eye protectors
- Long-sleeved shirt and long pants
- Chemical-resistant gloves made of polyethylene material

**USER SAFETY REQUIREMENTS**

- Follow manufacturer's instructions for cleaning and maintaining PPE. If both hands are involved in the application, use PPE on the other hand.
- Keep PPE separate to prevent contamination.
- Avoid contact with the product by using protective equipment. Do not expose them.

**USER SAFETY Recommendations**

- Use should wash hands before eating, drinking, or smoking.
- Use should wash clothing, equipment, and any other contaminated objects.
- Use should wash eating utensils, cups, and glasses.
- Use should wash PPE immediately after handling the product.
- Wash regularly and keep clean and dry.

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

**NOTICE OF WARRANTY**

The manufacturer and distributor (hereinafter referred to as "Manufacturer") warrant that this product is free from defects in material and workmanship and will perform as described in the product literature. This warranty does not cover any failure due to abuse, neglect, or improper application. The manufacturer will replace any defective product at no charge if returned to the manufacturer within 30 days of purchase. This warranty is in lieu of all other warranties, express or implied, and any implied warranty of merchantability or fitness for a particular purpose is limited to the duration of this warranty.

**NOTICE OF SAFETY**

The user of this product, after reading and understanding the instructions, will use it with care and attention.

**NOTICE OF DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

**FOR BEEF AND DAIRY CATTLE, SHEEP, GOATS, AND HORSES:**

- Use only in the area of the carcass and ensure the animal is not exposed to dust, smoke, or any other particles in the air.
