ALGAEFIX®

CONTROLS ALGAE GROWTH
• Keeps aquariums clean and clear
WORKS FAST

DIRECTIONS FOR USE:
It is a violation of federal law to use this product in a
manner inconsistent with its labeling. Add 1 ml for each 10 U.S. gallons (38 L) or
5 ml for each 50 U.S. gallons (190 L) of aquarium water. Repeat dose every
three days until algae is controlled. Siphon or scrape any dead algae from
aquarium. Once algae growth is under control, add one dose per week.
Weekly doses will control algae growth and reduce aquarium maintenance.
CAUTION: Do not use with freshwater crustaceans, including shrimp, crabs and
lobsters.

PRECAUTIONARY STATEMENT: HAZARDS TO HUMANS & DOMESTIC ANIMALS.
CAUTION: Harmful if swallowed or absorbed through the skin. Avoid contact
with skin, eyes, or clothing. Wash thoroughly with soap and water after handling.
NOTE: This product contains a chemical known to the state of California to cause
cancer.

FIRST AID:
IF ON SKIN, thoroughly wash with soap and water and remove
contaminated clothing. IF IN EYES, hold eye open and gently flush with water for
15 minutes. IF SWALLOWED, call a Poison Control Center or Doctor immediately
for treatment advice.

STORAGE AND DISPOSAL:
Nonrefillable container. Do not reuse or refill
this container. Offer for recycling, if available. Rinse thoroughly before disposing
of empty container. Do not contaminate water or feed by storage or disposal.
