PRECAUTIONARY STATEMENTS

Physical or Chemical Hazards: Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperature above 120°F may cause bursting. Never throw container into fire or incinerator.

FIRST AID

Have label with you when calling poison control center, doctor, or 1-800-222-1222.
If swallowed (due to petroleum distillate): Do not give any liquid to the person. Do not induce vomiting unless told to do so by the poison control center or doctor.
If on skin or clothing: Take off contaminated clothing. Rinse skin or clothing with water for 15-20 minutes.
If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

NOTE TO PHYSICIAN

May pose an aspiration pneumonia hazard. Contains petroleum distillate.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

To repel attacking dogs: Spray stream of repellent directly into dog’s face and eyes. The effective range is 10 feet. Its effectiveness on trained attack dogs has not yet been established.

DO NOT PUNCTURE OR INCINERATE!

Best if used within 24 months of date on bottom of can.
