Prevents flea eggs from hatching
Kills adult fleas, lice, ticks on contact and conditions

FLEA & TICK
SHAMPOO

TOTAL: . . . . . . . . . . . . 97.87%
Piperonyl Butoxide* (CAS #51-03-6) . . 1.88%
Pyrethrins (CAS #8003-34-7) . . . . . . . . 0.15%
(S)-Methoprene (CAS #65733-16-6) . . . 0.10%
ACTIVE INGREDIENTS:
®

* (butylcarbityl)(6-propylpiperonyl) ether and related compounds

If partly filled: Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

PRECAUTIONARY STATEMENTS – CAUTION - HAZARDS TO HUMANS AND DOMESTIC ANIMALS: HUMANS: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wash hands thoroughly with plenty of soap and water after handling and before eating, drinking, chewing gum, using tobacco, or using the toilet. Remove and wash contaminated clothing before reuse. DOMESTIC ANIMALS: Do not apply to pets (puppies or kittens) less than 12 weeks old.

FIRST AID:

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

IF INHALED: Get fresh air. If not improved, get medical attention.

IF SWALLOWED: Rinse mouth. Do not induce vomiting. Get medical attention.

If symptoms or effects persist or are severe, consult a physician.

DOMESTIC ANIMALS: Do not apply to dogs, cats, puppies, or kittens older than 12 weeks of age. Vet-Kem® Ovitrol® Plus FLEA & TICK Shampoo for Dogs & Cats is a concentrated shampoo enriched with soapsuds, cocamidopropyl betaine, extract, lanolin, and aloe. Leaves the coat soft, shining, and manageable. The shampoo removes loose dandruff, dirt, and scales. PRECOR® Insect Growth Regulator provides 28 days of control of pre-adult fleas before they become biting adults.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

USE RESTRICTIONS: Apply this product only as specified on this label. Do not contaminate food or feedstuffs. THIS PRODUCT IS FOR TOPICAL USE ONLY. DO NOT DIGEST. Do not apply to persons (puppies or kittens) less than 12 weeks old. Consult a veterinarian before applying this product on medicated, dehisced, aged, pregnant, or nursing animals. Sensitivities may occur after using all pesticide product for pets. If signs of sensitivity occur, bathe your pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Do not apply more than once per day.

Vet-Kem® Ovitrol® Plus FLEA & TICK Shampoo for Dogs & Cats may be used full strength or diluted with 2 parts water. Thoroughly wet the animal with warm water. Do not apply shampoo around eyes. The total amount of shampoo to be applied is 1 1/3 tablespoons for each 5 lbs of pet's weight. Estimate the total amount of shampoo needed for your pet, then apply shampoo along the back of the animal. Work well into coat starting at the head and working back. Spread lather to include head, neck, legs and feet. Continue to work lather in over the whole animal for 3 to 5 minutes (this is an important part of the grooming procedure). After lather has been worked in over the entire animal, rinse thoroughly with warm water. For extremely dirty or scaly animals, the above procedure may be repeated. Repeat every 7 to 10 days, if necessary, for adult flea relief. Flea egg hatch inhibition will last for 28 days.

STORAGE AND DISPOSAL:

PEGICIDE DISPOSAL AND CONTAINER STORAGE: Keep this product in its tightly closed original container when not in use. Store in a cool, dry (preferably locked) area that is inaccessible to children and animals. PESTICIDE DISPOSAL AND CONTAINER HANDLING: Nonrefillable container. Do not reuse or refill this container.
