PRINCIPAL FUNCTIONING AGENTS:
Beta-Pinene polymer............................................................ 96.0%
CONSTITUENTS INEFFECTIVE AS SPRAY ADJUVANT ........ 4.0%
TOTAL ................................................................. 100.0%
The amount of active ingredient in the formulation does not
determine the activity. Activity is governed by the type of film which
is formed and this is determined by refinement.

ALL INGREDIENTS ARE EXEMPT FROM THE REQUIREMENTS OF A
TOLERANCE UNDER 40 CFR 180.

PRECAUTIONARY STATEMENTS
Hazards to Humans and Animals
CAUTION: Causes eye irritation. Do not get in eyes. Wear protective
eyewear when handling. Avoid breathing vapors. Harmful if
swallowed. Avoid contact with skin. When handling wear coveralls
over short-sleeved shirt, short pants, socks, chemical-resistant
shoes and chemical-resistant gloves. Note: Read and follow all label
directions and cautions on all products used.

FIRST AID
Call a poison control center or doctor immediately for treatment advice.
IF SWALLOWED: Have person sip a glass of water if able to swallow.
Do not induce vomiting unless told to do so by a poison control
center or doctor. Do not give anything by mouth to an unconscious
person. IF ON SKIN OR CLOTHING: Take off contaminated clothing.
Rinse skin immediately with plenty of water for 15-20 minutes. IF
INHALED: Move person to fresh air. If person is not breathing, call
911 or an ambulance, then give artificial respiration, preferably
mouth to mouth if possible. IF IN EYES: Hold eye open and rinse
slowly and gently with water for 15-20 minutes. Remove contact
lenses if present, after the first 5 minutes, then continue rinsing eye.
Have the product container or label with you when calling a Poison
Control Center or Doctor, or going for treatment.

NET CONTENTS: 1 Gallon (3.785L)

GENERAL INFORMATION
TRANSFIX® is an excellent sticking agent intended for use with most crop protection products in which the label permits the use of a spreader sticker. TRANSFIX® is compatible in spray solutions with most commercial crop protection and foliar feed micronutrients. A thin coating of TRANSFIX® solution bonds the pesticide to the crop foliage. This decreases the risk of residue erosion from rainfall or irrigation.

DIRECTIONS FOR USE
For Terrestrial Use Only – Not For Aquatic Use
Add TRANSFIX® to the spray tank as it is filling, with the agitator running. Performance is dependent upon environmental conditions. TRANSFIX® should be applied at least one hour before an expected rainfall. Sunlight during this time frame is also necessary for better adherence of the bond.

FOR USE WITH PER ACRE FOR USE WITH
Insecticides 4-6 oz. Air Blast Sprayers 4-6 oz/100 gal. Solution
Fungicides 4-6 oz. Free Sprayers 4-6 oz/100 gal. Solution
Hormonal Herbicides 4-6 oz. Hydraulic Gun Sprayers 4-6 oz/100 gal. Solution
Foliar Nutrient Sprays 4 oz. Aircraft Sprayers 4-6 oz/Acre

STORAGE AND DISPOSAL
Storage: Store in a cool dry place. Keep in original container tightly closed. Store above 40° F. Do not store near heat or open flame.

Container Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. Contact your state and local ACRC recycler or visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

Note: Keep out of lakes, ponds or streams. Do not contaminate water sources by run-off from cleaning of equipment, disposal of rinse waters or spray mixtures.

NOTICE OF WARRANTY
Seller warrants that the product conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use. SELLER MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, NOR IS ANY REPRESENTATIVE OF SELLER AUTHORIZED TO MAKE ANY SUCH WARRANTY OR MODIFY THESE TERMS. This warranty does not extend to the storage, handling or use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to Seller, and Buyer assumes the risk of any such storage, handling or use. Seller shall not be responsible for incidental or consequential damages, if any, resulting from a breach of warranty.
