EPA REG. NO. 89470-8

EPA EST. NO. 89470-WV-1

**PRECAUTIONARY STATEMENTS**

**HAZARD TO HUMANS AND DOMESTIC ANIMALS**

DANGER: Corrosive. Causes irreversible eye damage. May be fatal if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin, or on clothing. Do not breathe dust, vapor or spray mist. Wear goggles, face shield, or safety glasses. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

PHYSICAL OR CHEMICAL HAZARDS: Danger. Strong oxidizing agent. Use only clean dry equipment. Mix only in water. Do not mix with metal, aluminum, organic matter or other chemicals (including pool chemicals). May attack concrete, cement or stone. Avoid contact with metal, aluminum or other metal objects. Avoid contact with a cutting agent. Do not use in close proximity to metal objects. Do not use in close proximity to flammable or combustible materials. Such use may cause fire or explosion.

ENVIRONMENTAL HAZARDS: The pesticide is toxic to fish and aquatic organisms. Do not discharge effluent containing this product into lakes, ponds, streams, waterways, oceans, or public waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewers without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

**DIRECTIONS FOR USE**

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Read entire label and use strictly in accordance with precautions statements and directions. For formulation into active ingredients or lactose or calcium. Adding lactose or calcium does not affect the performance of this product. Contact your state water board or regional office of the EPA before discharging effluent containing this product to a sewer system. It is a violation of Federal Law to use this product for any purpose other than that specified on the label. The use of this product is restricted to commercial and industrial users and to owners or operators of large institutions and non-institutional users who maintain large recreational facilities. For additional information, see the instruction sheet.

**STORAGE AND DISPOSAL**

Do not contaminate water, food or feed by storage or disposal. Keep product dry in tightly closed container when not in use.

PESTICIDE STORAGE: Store in a cool, dry, well-ventilated area away from heat or open flame. Do not expose container. Rinse empty container thoroughly with water to dissolve all residual. Store in airtight glass or metal container. Do not re-use container. Do not store with alcohol or other flammable materials. Store in a cool, dry, well-ventilated area. In case of contamination, do not wash with water. Do not store with alcohol or other flammable materials. Contact your state or local environmental agency for additional information.

PESTICIDE DISPOSAL: Dispose of properly. Spray mist or solution is toxic to aquatic organisms. Disposal of containers is regulated by Federal, State and local laws. For disposal, contact your local waste disposal service or hazardous waste disposal facility. Do not contaminate water, food or feed by storage or disposal. Keep product dry in tightly closed container when not in use. Do not contaminate water, food or feed by storage or disposal.
