### General Information
- **Brand:** LYSOL
- **Product:** No Rinse Sanitizer
- **Category:** Professional
- **UPC:** 0-36241-74389-5
- **Product:** No Rinse Sanitizer
- **Brand:** LYSOL
- **Category:** Professional

### Technical Specifications
- **Unit Content:** 16oz
- **Net Contents:** 11.5oz
- **Storage and Disposal:** Properly seal and dispose of used containers, used solution and rinsewater in accordance with local regulations. Do not place in household trash.

### Use
- **General Areas of Use:**
  - Food and Drink Preparation and Service
  - Restrooms and Showers
  - Beverage Processing Equipment and Storage Areas
  - Barber and Beauty Shop Disinfection

### Safety and Handling
- **First Aid:**
  - If swallowed, call a Poison Control Center or doctor immediately. Do not induce vomiting unless instructed to do so by a Poison Control Center or doctor.
  - For contact with skin, wash with soap and water. If irritation persists, consult a doctor.
  - For contact with eyes, rinse at least 15 minutes with plenty of water. If irritation persists, consult a doctor.

### Environmental Considerations
- **Disposal:**
  - Hazardous waste. Properly label and dispose of used containers. Used solution and rinsewater must be disposed of in accordance with local regulations.
  - The bottle is made of 25% post-consumer recycled plastic.

### Other Information
- **EPA Registration:**
  - EPA Reg. No.: 675-30
  - EPA Est. No.: 09019-OH-002

---

### Instructions for Use
- **Pre-clean instruments and tools prior to disinfection.** Prepare a 1600 ppm use solution and water after handling. Remove contaminated clothing and wash before reuse. Avoid contamination of food. Avoid breathing spray mist.
- **For use in Food Service:** Sanitize hard, non-porous surfaces. Apply use solution, 1 oz. per gallon of water by spray, cloth, sponge or mop. Let stand 10 minutes, then wipe or allow to air dry. Repeat application after 7 days or when new growth appears.
- **For use in Barber and Beauty Shop:** Sanitize instruments and tools by wiping them with a solution of 1/2 oz. of Professional LYSOL® Brand No Rinse Sanitizer per gallon of water (400ppm) on cleaned surfaces. Allow surface to air-dry.
- **For use in Restrooms and Showers:** Sanitize floors and walls by flooding-mopping a solution of 1/2 oz. of Professional LYSOL® Brand No Rinse Sanitizer per gallon of water (400ppm) on cleaned surfaces. Allow surface to air-dry.
