Concentrated Chlorinating Granules

Harmful if swallowed or absorbed through skin. Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled. Exposure to heat can cause this product to react rapidly with toxic gases. Construct or improper use may cause fire or explosion or the release of toxic gases.

DANGER

KEEP OUT OF REACH OF CHILDREN

OTHER INGREDIENTS:............................................ 1%
Sodium dichloro-s-triazinetrione dihydrate............ 99%

See back panel for precautionary statements.

IN CASE OF EMERGENCY CALL: 1-800-654-6911.

NOTE TO PHYSICIAN:
Probable mucosal damage may contraindicate the use of gastric lavage. Treatment.

Have the product container or label with you when calling poison control center or doctor, or going for treatment.

IF SWALLOWED:
Call a poison control center or doctor immediately for treatment advice. Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or a doctor.

IF INHALED:
Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 minutes. Call a poison control center or doctor for further treatment advice.

IF IN EYES:
Hold eyelids open and rinse slowly with water for 15-20 minutes. Remove contact lenses if present and rinse again. Call poison control center or doctor for treatment advice.

FIRST AID

IF SPOILED:
If product is exposed to small amounts of water, it can react violently to produce heat and toxic gas and spatter. Do not add water to this product. Add only into water. Can react with other materials, including other water treatment products, to cause fire, explosion, and the release of toxic gases. Keep all foreign matter, including other water treatment products, away from this product. Use only clean dry utensils to dispense this product. Avoid spilling this product. Exposure to heat can cause this product to rapidly decompose, leading to fire, explosion, and the release of toxic gases. Store in a cool, dry, well-ventilated area away from heat or open flame. Strong oxidizing agent. This product can increase fire intensity. Keep away from heat and from flame and burning material (like a lighted cigarette).

ENVIRONMENTAL HAZARDS: This pesticide is toxic to fish and aquatic organisms.

STORAGE & DISPOSAL: Keep this product dry in its tightly closed container when not in use. Store in a cool, dry, well-ventilated area. Keep away from heat or open flame. Nonrefillable container. Do not reuse or refill this container. Rinse empty container thoroughly with water to dissolve all material prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

HOW TO CALCULATE SPA CAPACITY

<table>
<thead>
<tr>
<th>Shape of Spa or Hot Tub</th>
<th>Gallons Of Water (Dimensions in ft.)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rectangular</td>
<td>Average depth x average width x 1.5</td>
</tr>
<tr>
<td>Circular</td>
<td>Diameter x average depth x 6.9</td>
</tr>
<tr>
<td>Oval with straight lines</td>
<td>Width x length x average depth x 0.7</td>
</tr>
<tr>
<td>Triangular</td>
<td>Consult spa or hot tub manufacturer</td>
</tr>
</tbody>
</table>
