Read all Precautionary Statements on
package before use.

FIRST AID:

If in EYES: Hold open and carefully and gently
wash with water 15-15 minutes. Remove contact lenses,
if present, after first 5 minutes, then continue rinsing
eye. Call a poison control center or doctor for
emergency advice. IF ON SKIN OR CLOTHING: Take off
contaminated clothing. Wash skin immediately with
plenty of water for at least 15 minutes. Call a poison
toxicology center or doctor for treatment advice.

If swallowed: Call a poison control center or
toxicology center for treatment advice. Have person
drink 1 glass of water if able to swallow. Do not induce
vomiting unless told to do so by a poison control center
or doctor. Do not give anything made in
precauciones person.

Have the product container or label with you when
calling above emergency center or doctor, or going for
emergency.

NOTE TO PHYSICIAN: Probable mucous damage
may contraindicate the use of gastric lavage.

IN CASE OF EMERGENCY CALL: 1-800-854-8911

alga guard 10

10% Strength
Prevents green algae
Non-foaming

MADE IN THE USA

ACTIVE INGREDIENTS:

α-Allyl (62% α, 30% β, 5% γ, 5% δ)
Dimethyl Benzyldimethyl Chloride (≤ 9.96%)
α-Bromo (69% α, 30% γ, 5% δ)
Methyl Bromo Ammonium Chloride (≤ 0.04%)
OTHER INGREDIENTS: ≤ 0.04%
TOTAL: ≤ 100.00%

COMPATIBLE WITH SALT SYSTEMS

Net Contents: 1 Gallon
(128 fl oz.)
**Directions for Use:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Read all precautionary statements before use.

**Why You Should Use This Product:**

This is an effective, non-foaming algicide product that, when used regularly, will prevent and kill green algae. For crystal clear pool water, follow the HTH® 4 step pool care program: Step 1: Test and adjust pool water balance. Step 2: Sanitize. Step 3: Shock treat your pool at least once a week. Step 4: Add algicide regularly.

Download the FREE "Test to Swim" app for your smartphone for expert water analysis, product recommendations, and dosage instructions.

**Initial Dose:**

Add this product to pool water at the beginning of the season. Use the following dosage recommendations based upon pool size.

<table>
<thead>
<tr>
<th>Pool Size, Gallons</th>
<th>Dosage, Fluid Ounces</th>
</tr>
</thead>
<tbody>
<tr>
<td>500</td>
<td>0.30 fl oz</td>
</tr>
<tr>
<td>1,000</td>
<td>0.60 fl oz</td>
</tr>
<tr>
<td>2,000</td>
<td>1.20 fl oz</td>
</tr>
<tr>
<td>3,000</td>
<td>1.80 fl oz</td>

**Visible Algae:** If pool has slight visible algae growth, treat with the "Initial Dose." Vacuum pool after 24 hours to remove algae debris. If visible algae are still present or re-appear, repeat this treatment as necessary. When pool is free of visible algae, use the "Maintenance Dose."

**Closing Your Pool:** When swimming season is over, add an initial dose of this product. This dosage helps control algae growth during the winter months and aids the servicing of the pool before it is returned to use the following summer. Follow recommended HTH® pool closing procedure.

**Shock Treatment / Superchlorination:**

As a preventative treatment, shock treat your pool once per week with HTH® shock treatment. In addition to weekly shock treatment, shock treat to remedy problems which may occur when browning tides are high, water appears hazy or dull, unpleasant odors or eye irritation occur, after heavy winds and rains, or if algae does develop with resulting green color and slippery feeling.

**Precautionary Statements:**

**Hazards to Humans and Domestic Animals:**

**Danger:** Corrosive. Causes irreversible eye damage and skin irritation. Harmful if swallowed or absorbed through the skin.

- Do not get in eyes, on skin or on clothing. Wear protective eyewear (goggles, face shield, or safety glasess), rubber gloves, and protective clothing.
- Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet.
- Remove and wash contaminated clothing before reuse.

**Environmental Hazards:**

This pesticide is toxic to fish and aquatic organisms.

**Storage and Disposal:**

Keep this product in its tightly closed container when not in use. Nonrefillable container. Do not reuse or refill this container. Remove empty container thoroughly with water prior to disposal. Offer for recycling if available. Do not contaminate food or feed by storage or disposal or cleaning of equipment.

**How to Calculate Pool Capacity in U.S. Gallons**

<table>
<thead>
<tr>
<th>Pool Shape</th>
<th>Formula (Dimensions in feet)</th>
</tr>
</thead>
<tbody>
<tr>
<td>Rectangular</td>
<td>[L x W x A] x 0.75 = total gallons</td>
</tr>
<tr>
<td>Round</td>
<td>Diameter x Diameter x 0.75 = total gallons</td>
</tr>
</tbody>
</table>

L = Length, W = Width, A = Average Depth, D = Diameter

To calculate your pool's capacity, visit www.hthpools.com/poolcapcalc.
