DIRECTIONS FOR USE

For Use In Homes, Hospitals, Nursing Homes, Businesses, Hotels, Motels, Restaurants, Schools, Institutions and Commercial Establishments

Product Information

Kills: Aspergillus Niger, *H. influenzae Type b* (ATCC 27953), *S. aureus* (ATCC 25923), *S. epidermidis* (ATCC 27953), Mycobacterium tuberculosis var bovis (RC95), *P. aeruginosa* Types 1 and 2, Pseudomonas aeruginosa (ATCC 15442), Diphtheroids (ATCC 10078), Staphylococcus aureus (ATCC 12352), Bacillus subtilis var niger, Escherichia coli (ATCC 10536), Klebsiella pneumoniae (ATCC 70062), Proteus mirabilis (ATCC 70062), and other organisms.

Special Instructions for Cleaning and Decontamination of Influenza Virus: It is important to recognize that the product is effective against influenza and other respiratory pathogens.

Personnel Protection: When handling items soiled with blood or body fluids, we recommend the use of appropriate barrier protection such as disposable gloves, glasses, masks or eye coverings.

Cleaning Procedure: Blood and other body fluids must be thoroughly cleaned from surfaces and objects before application of the disinfectant.

Contact Time: Spray surface to be treated 1-2 minutes, using a slow stream of water, allow to air dry, then wipe with a suitable disinfectant.

Disposal of Infectious Materials: Blood and other body fluids should be autoclaved and disposed of according to federal, state and local regulations for infectious waste disposal.

Storage and Disposal

Do not contain water, food or feed by storage or disposal.

Pesticide Storage: Store in a cool, dry (preferably locked) storage area away from direct sunlight, moisture, heat and other sources of heat or ignition.

Pesticide Disposal: Waste resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: Non-refillable container; do not reuse or refill this container. Do not incinerate or puncture container; empty container may cause toxic fumes.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with eyes, skin or clothing. Prolonged or frequent repeated skin contact may cause allergic reaction in some individuals. Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet. Not for small or medium-sized animals.

First Aid

If on Skin or Clothing: Take off contaminated clothing. Immediately rinse skin with plenty of water for 15-20 minutes. If in Eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then rinse again.

If swallowed: Call a poison control center or doctor for treatment advice.

Other Ingredients: This product contains sodium laureth sulfate, sodium lauryl sulfate, and ethyl alcohol.

Physical or Chemical Hazards

Flammable. Contents under pressure. Do not use or store near fire, sparks or heated surfaces. Do not use or store in direct sunlight. Do not incinerate or puncture or incinerate container. Exposure to temperatures above 120°F may cause burning.
