IMPORTANT
READ BEFORE USING
LIMITED WARRANTY AND LIMITATION OF LIABILITY
Read the entire Directions for Use, Limited Warranty and Limitation of Liability (including limitations on liability) before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or buyer accepts the following conditions, disclaimer of warranties and limitations of liability.

The directions for use of this product are believed to be adequate and must be followed carefully. However, it is impossible to eliminate all risks associated with the use of this product. Ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or the manner of use or application, all of which are beyond the control of Earth Science Laboratories, Inc. To the extent consistent with applicable law, all such risks shall be assumed by the user or buyer.

To the extent consistent with applicable law, seller warrants that the product conforms to the chemical description and is reasonably fit for the purpose stated on the label for use under normal conditions, but makes no other warranties of fitness or merchantability expressed or implied, or any other warranty if the product is used contrary to the label instructions, or under conditions not foreseeable to the seller. To the extent consistent with applicable law, the seller shall not be liable for more than the cost of this product to the buyer and will in no event be liable for any consequential, special or indirect damages connected with the use or handling of this product. This product is offered and the buyer or user accepts it subject to the foregoing terms which may not be varied. Seller makes no warranty for product which has been frozen.

WARNING
Causes substantial but temporary eye injury. Harmful if swallowed. Harmful if absorbed through skin. Do not get in eyes or on clothing. Avoid contact with skin. Wear protective eyewear (goggles, face shield or safety glasses), long sleeved shirt, long pants, shoes, socks and chemically-resistant gloves made of any waterproof material. Some materials that are chemically-resistant to this product are PVC, polyethylene and vinyl. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

DIRECTIONS FOR USE
It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not apply this product in a way that contact workers or other persons, either directly or through drift. Only protected handlers may be in the area during application. For any requirement specific to your state and tribe, consult the agency responsible for pesticide regulation. For use in residential pools, do not apply this product in a way that will contact adults, children or pets.

USE INFORMATION
Algae Shield® is used to control algae in residential pools.

SPECIFIC REACTIONS FOR USE
Apply at the rate of 1 fluid ounce of Algae Shield® per 1,000 gallons of water. This will yield a rate of 0.45 ppm metallic copper. Repeat a maintenance dosage of 1 fluid ounce of Algae Shield® per 1,000 gallons of water once a month to maintain control. Application should be made before visible algae appear. Where visible algae are present apply at a rate of 2 fluid ounces of Algae Shield® per 1,000 gallons of water. This will yield a rate of 0.9 ppm metallic copper.

APPLICATION AND HANDLING EQUIPMENT
Application, handling or storage equipment MUST consist of fibreglass, PVC, polyethylene, vinyl, corrosion-resistant plastics or stainless steel. Never use mild steel, nylon, brass or copper around Algae Shield®.

CONTAINER HANDLING
Non-refillable container. Do not reuse for other than labeled use. Triple rinse container or equivalent properly after emptying. Triple rinse as follows: Empty the remaining contents into a appropriate container or in the tank and cover for 10 seconds after the flow begins to stop. Fill the container 1/4 full with water and rinse. Shake for 10 seconds. Pour rinsate into appropriate equipment or a mix tank to store rinsate for later use or disposal. Drain for 10 seconds after the flow begins to stop. Repeat this procedure 2 more times. Offer for recycling if available. If recycling is not available, puncture and dispose of in a sanitary landfill, by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke.

FOR CHEMICAL EMERGENCY CALL INafeX 1-800-535-5053
Non-flammable. Do not freeze.

Algae Shield is used to control algae in residential pools.

Pesticide Disposal: Pesticide wastes are toxic substances. Improper disposal of excess Algae Shield® may result in a violation of federal law. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA regional office for guidance. In the event of spill, neutralize with lime or你的 address if you buy Stain. May contaminate concrete.
