ANT KILLER GRANULES

KILLS ANTS OUTDOORS—BEFORE THEY COME INSIDE

KEEPS WORKING FOR WEEKS

CONVENIENT, READY TO USE

SHAKER-BOTTLE

ACTIVE INGREDIENT:
Permethrin (CAS No. 52645-53-1) — 0.25%
OTHER INGREDIENTS — 99.75%
TOTAL — 100.00%

For Outdoor Residential Use Only

KEEP OUT OF REACH OF CHILDREN
CAUTION
(See back panel for first aid and additional precautionary statements)
Net Weight 4 LBS. (1.816 kg)
ANT KILLER GRANULES  
EPA Est. No. 4-NY-1  EPA Reg. No. 4-425

Read entire label before use.

Directions for Use
It is a violation of Federal law to use this product in a manner inconsistent with its labeling. Avoid contamination of food and feed. Utensils such as teaspoons and measuring cups should not be used for food purposes after use with insecticides. Do not allow children and pets to enter the treated area until dust has settled.

Apply this product directly to the lawn or garden area. Water treated area as directed on this label. Do not water to the point of run-off. Do not make applications during rain.

Two Easy Steps to use this Product

Step #1: Determine size of the job, measure the area to be treated.

Step #2: Treat as directed below. Thorough coverage is important. Water in granules where indicated.

STORAGE & DISPOSAL

STORAGE: Store product in original container in a locked storage area. Store and transport in an upright position.

DISPOSAL: If empty - Nonrefillable container. Do not reuse or refill this container. Place in trash or offer for recycling if available. If partly filled - Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

Treatment Areas: Overall Lawn Application for Grass and Dichondra Lawns; Pests; Ants, Armyworms, Brown dog ticks, Cutworms, Clover mites, Crickets, Cutworms, Earwigs, Fleas, Grasshoppers, Lawn moths (Sod webworms), Leafhoppers, Millipedes, Pests, Billbugs, Grubs, Japanese beetles, Grubs, Dung beetles (Alionius spretulus) Use Rate: Apply 2.5 lbs. per 1,000 sq. ft. of lawn (or 4 oz. per 100 sq. ft.) How to Use: Apply when grass is dry. Water lawn lightly after application. Repeat as necessary. Pests; Billbugs, Grubs, Japanese beetles, Grubs, Dung beetles (Alionius spretulus) Use Rate: Apply 2.5 lbs. per 1,000 sq. ft. of lawn (or 4 oz. per 100 sq. ft.) How to Use: Water grass thoroughly after application. For Billbug control, apply when activity is first observed or when chewed or brown grass indicates damage from these insects. For Grub control, except Dung Beetle, treat any time between late July and early October. For Dung Beetle Grub control, apply in spring or early summer when damage is first noticed. Water grass thoroughly with 1/2 to 1/2 inch of water after application. Treat again in late summer or early fall if a second infestation is suspected. Treatment Areas: Spot Treatment: Pests; Ants Use Rate: Apply 1 lb. per 150 sq. ft. around each ant hill. How to Use: Water lightly after application. Treat Fire ants Use Rate: Apply 1 cup over and 2 ft. around, each fire ant mound. How to Use: Water thoroughly, immediately after application. A minimum of 1 gallon of water should be applied to each mound area. Apply gently to avoid disturbing ants. Use of high pressure watering equipment may disturb the ants and cause migration, reducing product effectiveness. Treatment Areas: Band Treatment Around House Foundation: Pests; Ants, Asian Lady Beetles, Fleas, Boxelder bugs, Brown dog ticks, Clover mites, Crickets, Earwigs, Firebrats, Grasshoppers, Millipedes, Roaches, Silverfish, Sowbugs (Pillbugs), Spiders, Spider mites, Springtails (collembolan) Use Rate: 3.2 oz. for each 100 sq. ft. area. How to Use: These pests are commonly found around or near foundations of houses, as well as in lawns. Certain of these pests may enter houses. Apply a 5-foot band of granules next to the house foundation. Distribute granules uniformly. Water lightly after application.

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment. You may also contact the National Pesticide Information Center at 1-800-858-7378 for emergency medical treatment information.

If in eyes Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center or doctor for treatment advice.

If swallowed Call a poison control center or doctor immediately for advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

If on skin or clothing Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If inhaled Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

PRECAUTIONARY STATEMENTS

Hazard to Humans and Domestic Animals
CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Harmful if inhaled. Avoid breathing dust. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

Environmental Hazards
This product is extremely toxic to fish. Drift and runoff from treated areas may be hazardous to aquatic organisms in treated areas. To protect the environment, do not allow pesticide to enter or run off into storm drains, drainage ditches, gutters or surface waters. Applying this product in calm weather when rain is not predicted for the next 24 hours will help to ensure that wind or rain does not blow or wash pesticide off the treatment area. Sweeping any product that lands on a driveway, sidewalk, or street, back onto the treated area of the lawn or garden will help prevent run off to water bodies or drainage systems.

For information on pesticide products (including health concerns, medical emergencies, or pesticide incidents), call the National Pesticide Information Center at 1-800-858-7378.

DISCLAIMER: To the extent consistent with applicable law, buyer assumes all risks of use, storage or handling not in strict accordance with directions given hereon.
