Fungicide V

Prevents and controls Pythium blight & gray snow mold on golf course greens and fairways

SGN 100

Covers up to 11,000 Sq. Ft.
Net Wt. 32.75 Lbs. (14.86 kg)

ACTIVE INGREDIENT:
Chlorothalonil (1,4-dichloro-2, 5-dimethoxybenzene) 6.25%

INERT INGREDIENTS: 93.75%

TOTAL 100.00%

EPA Reg. No. 9198-182
EPA Est. No. 9198-0H-11/M
0198-OH-3B, 9198-AI-001/0
Undelimited letter is first letter used in run code on bag.

KEEP OUT OF REACH OF CHILDREN

CAUTION

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: May irritate eyes, nose, throat, and respiratory system. Avoid contact with skin, eyes, and clothing. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse. Do not eat or drink in treated areas. Do not inhale dust or spray particles. Use treated area properly.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice.

IF SWALLOWED: Call a poison control center or doctor for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF ON SKIN: Wash skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

Have the product container or label with you when calling a poison control center or doctor or going for treatment. You may also call 1-800-795-4051 for emergency medical treatment information.

Environmental Hazards: Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Not for use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes.

Prevents and controls:
Pythium blight, gray snow mold. Whenever used on greens and fairways, apply to moist foliage in the morning or evening. Sprinkle lightly just before traffic resumes to avoid pickup of material on shoes, golf balls, or maintenance equipment.

To prevent Pythium blight, apply at the RECOMMENDED RATE to moist foliage when high temperature and humidity favor development. Repeat at 5-7 day intervals as long as these weather conditions persist.

To control Pythium blight, apply at the RECOMMENDED RATE to moist foliage as soon as disease activity is observed: repeat at 5-7 day intervals during high temperature and humidity conditions.

In case of severe disease attack, apply at the DOUBLE RATE to moist foliage and continue applying RECOMMENDED RATE applications at 5-7 day intervals during high temperature and humidity conditions.

On new seedings, apply at the RECOMMENDED RATE after sowing seed, at first signs of disease, apply to moist foliage of newly germinated grass and repeat at 7-10 day intervals if evidence of disease persists. When treating to control Pythium blight, do not fertilize or water heavily until disease activity is arrested; prolonged contact with foliar enhancer effectiveness.

Gray snow mold: Apply at the RECOMMENDED RATE to dry or moist foliage prior to the first heavy snow (early Winter). Repeat in mid-winter if turf is free of snow. A final treatment in late Winter as the snow melts extends protection. In areas where snow cover is present the entire Winter, apply at the DOUBLE RATE prior to the first snow and at the RECOMMENDED RATE when snow melts in the Spring.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage and disposal.

STORAGE: Store in a clean, dry place. Reseal opened bag by folding top down and securing.

PESTICIDE DISPOSAL: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Call your local or state solid waste agency or call 1-800-CLEANUP if you have questions.

CONTAINER DISPOSAL: Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, or, if allowed by State and local authorities, by burning. It burned, stay out of smoke.

IMPORTANT: READ BEFORE USE:
Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or乙方 accepts the following Warranty Disclaimer and Limitation of Liability.

WARRANTY DISCLAIMER AND LIMITATION OF LIABILITY:
Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes no other express or implied warranty of merchantability or fitness for a particular purpose. Where permissible, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product at Buyer's choice. Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.

LEGAL RIGHTS:
THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS. YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/JURISDICTION TO STATE/JURISDICTION.
