Fungicid VII

- Systemic fungicide that prevents and controls dollar spot (including benazimidazole tolerant strains), brown patch, anthracnose and rust

- **DP**PRO dispelsurable carrier

**KEEP OUT OF REACH OF CHILDREN**

**CAUTION**

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals: CAUTION; causes eye irritation. Avoid contact with eyes, skin, or clothing. Wash thoroughly with soap and water after handling. If in eyes, flush with plenty of water. Get medical attention if irritation persists. May be harmful if swallowed. Avoid inhaling. Do not contaminate feed or foodstuffs. Do not spray crops that are in direct contact with food or water supplies. Do not feed crops that are in direct contact with food or water supplies.

Environmental Hazards: Do not apply directly to water, to areas where surface water is present or to irrigation channels or drains. Do not contaminate water when disposing of equipment washwater. Do not apply when weather conditions favor drift from areas treated. Apply the product only as specified on this label. The fish and wildlife hazards section contains specific information on how to prevent drift to water bodies. This chemical is harmful to aquatic life. Aquatic hazards and water quality guidelines are provided in the USEPA's Pesticide Environmental Assessment (PEA) Report. To protect aquatic life, aquatic hazards should be considered when selecting an application site. The use of this chemical in areas where soils are permeable, particularly where the water table is shallow, may result in groundwater contamination.

**FIRST AID**

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, before rinsing. In case of contact with eyes, skin, or clothing, wash thoroughly with soap and water. If swallowed: Call a poison control center or doctor immediately for treatment advice. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. If in skin or clothing: Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. If on skin or clothing: Take off contaminated clothing. Wash skin immediately with plenty of water for 15-20 minutes. If swallowed: In case of contact with eyes, skin, or clothing, wash thoroughly with soap and water. Do not attempt to抠 out or remove any foreign bodies unless directed to do so by a doctor or nurse.

**ACTIVE INGREDIENT**

- **1-(6-Chloro-2-pyridyl)-3,3-dimethyl-1'H,2'H-2,3-diazole-1-CH3,2,6-Dimethyl-1-CH3,2-butene**

**DIRECTIONS FOR USE**

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not use on turf being grown for sale or other commercial use as sod, or for commercial seed production, or for research purposes. Use for ornamental turf areas consisting of Kentucky bluegrass, annual bluegrass, bent grass, buffalo grass, buffalo, dallisgrass, ryegrass, the fescues, bermsud grass or minimizing where these grasses predominate.

**PREVENT DOLLAR SPOT, ANTHRACNOSE AND RUST**

Apply to moist or dry foliage at the RECOMMENDED RATE when environmental conditions favor disease activity. Repeat application at 2-4 week intervals throughout the expected disease period.

**CONTROL DOLLAR SPOT, ANTHRACNOSE AND RUST**

Apply to moist or dry foliage at the DOUBLE RATE for light to moderate infestations and the HEAVY RATE for severe disease infestations. When the disease activity is under control, apply at the RECOMMENDED RATE at 2-4 week intervals.

**PREVENT BROWN PATCH**

Apply to moist or dry foliage at the DOUBLE RATE when environmental conditions favor disease activity. Repeat application at 2-4 week intervals throughout the expected disease period.

**CONTROL BROWN PATCH**

Apply to moist or dry foliage at the HEAVY RATE every two weeks. When disease activity is under control, apply at the DOUBLE RATE at 2-4 week intervals.

**CONTAINER DISPOSAL**

Completely empty bag into application equipment. Then dispose of empty bag in a sanitary landfill or by incineration, if so allowed by State and local authorities. Do not burn.

**PRODUCT DISPOSAL**

Do not contaminate water, food, or feed by storage or disposal. Dispose of resulting waste from the use of this product by disposing of in on or on at an approved waste disposal facility.

**WARRANTY DISCLAIMER and LIMITATION OF LIABILITY**

Manufacturers warranty that this product conforms to the chemical description on the label and is reasonably fit for the purposes sketched on the label when used in strict accordance with the directions. Manufacturers make no OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS for a particular purpose. Where applicable, it is Manufacturer's intent to LIMIT ANY LIABILITY for SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to result from misuse price or replacement of product, at Buyer's choice. Manufacturer DISCLAIMS ANY LIABILITY for COMMISSIONS OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.

**LEGAL RIGHTS**

This LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE TO JURISDICTION TO STATE JURISDICTION.
